▲ NOTE: No ranking courses are required for Border Health Issues Certificate

GENERAL REQUIREMENTS

The following is required of all students enrolling in this program:

- Submit all previous college/university official transcripts (transliteration of all foreign coursework required).
- Submit official transcripts to:
  El Paso Community College Admissions Office
  P.O. Box 20500, El Paso, Texas 79998
- Must be fully accepted by EPCC as an academic credit student
- Student may enroll in selected courses prior to completion of a Certificate of Completion or an Associate of Applied Science Degree in Health Career or related Career.
- "Effective Fall 2011, and based on new federal regulations, students are not allowed to repeat previously passed courses more than once." Students should meet with a counselor to determine how a repeat course (s) may impact his/her academic, prerequisite, specialized admissions or transferability of courses. It is the student’s responsibility to check with the Office of Student Financial Services to inquire how a repeat course (s) may impact their financial aid or veteran's assistance.

TEXAS SUCCESS INITIATIVE (TSI) ASSESSMENT REQUIREMENTS

The Texas State Legislature mandates that institutions assess all entering undergraduate students for readiness to enroll into college-level course work in the academic areas of Essay, Reading, Math, and Writing Assessment Tests, and to provide individualized developmental education programs to those students not demonstrating this readiness. The Texas Higher Education Coordinating Board (THECB) requires the reporting of developmental progression and outcome of all students engaged in developmental education. Refer to EPCC Catalog or see your counselor for more information.
This program is not under Specialized Admissions.

If applicable to the program, it is highly recommended that the applicant complete the Pre-Program Specific Requirements at least three (3) weeks prior to the ranking date. The applicant must complete “Specialized Admissions” requirements for qualifying and ranking. There is a scheduled ranking date for this program. Normal processing may take a few days or a few weeks depending on document type and individual circumstances. If documents have been received, but not processed, then the student will be coded as ineligible for that ranking, because not enough time was given for validating and processing the information.

Applicants for Non-Specialized Programs must meet Pre-Program Specific Requirements prior to enrollment in Border Health Issues Program. The following is required of all applicants:

☐ Student must have completed or be enrolled in a Health Career Program or related career; such as Social Work or Sign Language with an Associate Degree or Higher.

PROGRAM COORDINATOR: Helga Carrion, RG Campus, room A-246 - Telephone # (915) 831-4341.

Must file a degree plan with designated Health Counselor
