To qualify for Specialized Admissions, applicants/students must satisfy all of the following: General Requirements, minimum set TSI scores, Mandatory courses, and Pre-Program Specifics. Once all requirements are completed, ranking points are derived from the most recent TSI scores and most recent G.P.A of ranking courses. Applicants who complete all ranking courses may be more competitive for admission into their program of choice.

GENERAL REQUIREMENTS

 Applicants for Specialized Admissions must satisfy minimum criteria in order to be eligible for ranking. The following is required of all applicants:

➢ Submit all previous college/university official transcripts (transliteration of all foreign coursework required) prior to ranking.
➢ Must have a High School Diploma or GED. Submit official transcripts to:
  El Paso Community College Admissions Office
  P.O. Box 20500, El Paso, Texas 79998
➢ Must be fully accepted by EPCC as an academic credit student.
➢ Must have successfully completed the TSI Assessment Test.
➢ Attend a Health Careers Orientation Session or complete it online at: http://www.epcc.edu/HCO/Pages/default.aspx
➢ Submit Specialized Admissions Application form and pay $10.00 fee.
➢ All academic and specialized courses listed on the degree plan must be completed with a “C” or better.
➢ EPCC Cumulative GPA of 3.0 is required.
➢ “Effective Fall 2011, and based on new federal regulations, students are not allowed to repeat previously passed courses more than once.” Students should meet with a counselor to determine how a repeat course (s) may impact his/her academic, prerequisite, specialized admissions or transferability of courses. It is the student’s responsibility to check with the Office of Student Financial Services to inquire how a repeat course (s) may impact their financial aid or veteran’s assistance.
The Texas State Legislature mandates that institutions assess all entering undergraduate students for readiness to enroll into college-level coursework in the academic areas of Essay, Reading, Math, and Writing, and to provide individualized developmental education programs to those students not demonstrating this readiness. The Texas Higher Education Coordinating Board (THECB) requires the reporting of developmental progression and outcome of all students engaged in developmental education. Refer to EPCC Catalog or see your counselor for more information.

**Minimum TSI Assessment scores for Medical Imaging Technology-Radiography Program:**

- Math (PTSM), 360
- Reading (PTSR), 365
- Writing (PTSW), 365
- Essay (PTSE), 6

- Official TSI Assessment scores are valid for five (5) years and only the most recent test score will be the one used for qualifying and ranking.
- Official TSI Assessment scores must contain all four (4) subject areas (Essay, Reading, Math, and Writing).
- Posting of TSI Assessment scores will take between 24 to 48 hours. TSI Assessment Test must be completed at least 48 hours prior to ranking date.

**MANDATORY COURSE: (1) COURSE**

Mandatory courses are those courses that a student must have successfully completed prior to ranking. Applicants who do not satisfactorily complete mandatory course work will not qualify for eligibility to be ranked for a program.

- ▲ RADR 1317 Radiographic Anatomy and Physiology I **Minimum Grade B**

**RANKING COURSES: (2) COURSES**

Ranking courses are courses within the degree plan in which performance most reliably predicts future ability to perform successfully in the program. It is highly recommended that all ranking courses be completed prior to ranking to be competitive. Ranking Courses cannot be substituted.

*** NOTE: BIOL 1306 and BIOL 1106 are pre-requisites for BIOL 2402 and BIOL 2404; prerequisites can be met through course completion or Biology placement exam.

- ▲ BIOL 2402 Anatomy and Physiology II **OR**
- ▲ BIOL 2404 Introduction to Anatomy and Physiology
- ▲ RADR 1317 Radiographic Anatomy and Physiology I

- **Effective June 2019, only BIOL 2404 will count towards ranking.**
- ▲ Ranking Courses should be completed no later than Spring Semester to be eligible for June 7, 2018 ranking.

**PROCESSING OF PRE PROGRAM SPECIFIC REQUIREMENTS**

It is highly recommended that the applicant complete the Pre-Program Specific Requirements at least three (3) weeks prior to the ranking date. The applicant must complete “Specialized Admissions” requirements for qualifying and ranking. There is a scheduled ranking date for this program. Normal processing may take a few days or a few weeks depending on document type and individual circumstances. **If documents have been received, but not processed, then the student will be coded as ineligible for that ranking, because not enough time was given for validating and processing the information.**
**PRE PROGRAM SPECIFIC REQUIREMENTS**

Applicants for Specialized Programs must also meet Pre-Program Specific Requirements prior to qualifying for ranking. The following is required of all applicants:

- **Background Check** must be completed by each student prior to enrollment in clinical courses. The student will not be able to go to the clinical areas/health care facilities until cleared. For further information, please ask a Health Counselor or call the Program Coordinator. Website: [http://www.elpasoex.com](http://www.elpasoex.com). There are two Levels of background checks: **Level I** applies to all students and includes: (1) Social Security Number Verification, (2) Criminal Search 7 years minimum or up to 5 criminal searches), (3) Violent Sexual Offender and Predator Registry Search, (4) Office of the Inspector General (OIG) List of Excluded Individuals/Entities, (5) GSA List of Parties Excluded from Federal Programs (6) U.S. Treasury, Office of Foreign Assets Control (OFAC), List of Specially Designated Nationals (SDN), and (7) State Exclusion List. **Level II** is for students already licensed or certified in any area. Level II requires all of the Level 1 elements plus (1) License Verification, (2) Certification Verification, and (3) Employment Verification, including reason for separation and eligibility for re-hire.

- **Community Wide Orientation** (Renewable every year) (online at: [http://www.epcc.edu/cwo/](http://www.epcc.edu/cwo/)).
- **Current CPR Certification at a Professional Level. Must be American Heart Association (AHA) CPR/BLS (only Healthcare Provider training accepted) cards from AHA. Military Training Network (AHA recognized) cards will be accepted. Hybrid AHA courses with live skills demonstration will be accepted. This must remain current throughout the course of the program (Certification may not be older than one year to end of semester).**
- **HIPAA Training** (Renewable every year) (online at: [http://www.epcc.edu/hipaa/Pages/default.aspx](http://www.epcc.edu/hipaa/Pages/default.aspx)).
- **Immunizations and Titer** – The following must be completed.
  - **POSITIVE TITER required for Hepatitis B vaccination series of 3 and Titer** (can take 4-6 months to complete). If a student has started the Hepatitis B series by ranking deadline (June 7), he/she may be cleared for ranking or registration with the understanding that the series must be completed in a timely manner prior to starting clinical courses. Documentation of starting the series must be on file.
  - **Tuberculosis (TB) Screening required annually. **NOTE:** It is highly recommended to complete any and all TB skin testing prior to receiving the MMR and/or Varicella vaccines. MMR or Varicella vaccines could cause a false negative TB skin test result.**
    1. **Individuals who previously tested negative, have never tested, or aren’t sure if previously tested.**
      a. Initial 2 Step TB Skin Test: Effective January 1, 2018 for all students/faculty new to health programs.
      i. Initial TB skin test (TST) administered and read 48-72 hours later.
      ii. If initial TST negative, 2nd TST must be administered no sooner than 7 days and no later than 21 days after administration of the initial TST.
      iii. If initial TST is positive, DO NOT ADMINISTER 2nd TST. Individual needs Chest X-ray and annual TB Assessment/Clearance (or equivalent document) from Health Care Provider.
    2. **TB Skin Test Positive (previously).** Requires completed Annual TB Assessment/Clearance form.
      - **POSITIVE TITER required for each 2 doses - Measles, Mumps and Rubella Vaccinations (MMR) (completed) and Titer.**
      - **POSITIVE TITER required for each 2 doses- Varicella Vaccination and Titer (completed).**
      - **Tetanus/Diphtheria and Pertussis (TDAP) (completed) (expires after 10 years).**
      - **Influenza is required (or completed declination form) (NOTE: If declined, will have to wear a mask in clinical) (done annually).**
        - (Flu Vaccine is a Post-Program Specific Requirement).
• **Meningitis or Booster** - (Effective January 1, 2012, a Bacterial Meningitis Vaccination is required for all entering students under the age of 22. The term “entering students” includes new students to EPCC, transfer students, and returning students. Students must provide proof of an initial meningitis immunization or booster to Admissions and Registration Department at any campus. The meningitis immunization must be administered at least 10 days before the start of the semester and must have been administered within the last five years). Visit Admission and Registration EPCC web page for additional information: [http://www.epcc.edu/Registration/Pages/default.aspx](http://www.epcc.edu/Registration/Pages/default.aspx).

NOTE: After vaccination is administered, you must wait 4-6 weeks for immunity to show up on the TITER.

- **Physical Exam (current)** completed by a Physician, Nurse Practitioner or Physician’s Assistant licensed in the United States (No older than two years). ([http://www.epcc.edu/InstructonalPrograms/Documents/Report%20of%20Health%20Evaluation.pdf](http://www.epcc.edu/InstructonalPrograms/Documents/Report%20of%20Health%20Evaluation.pdf)).
- **Physical Technical Standards form** (completed). ([http://www.epcc.edu/InstructionalPrograms/Documents/Physical%20Form.pdf](http://www.epcc.edu/InstructionalPrograms/Documents/Physical%20Form.pdf)).

**POST ACCEPTANCE REQUIREMENTS**

Students are responsible for the following requirements AFTER accepting a seat in the Program.

- Must file a degree plan with designated Health Counselor.
- **Influenza is required** (or completed declination form) **(NOTE: If declined, will have to wear a mask in clinical) (done annually). (Refer to Immunization's Pre-Program Requirements List)** Flu Vaccine is a Post-Program Specific Requirement.
- **Liability Insurance** (Professional Practice Insurance) is required for all clinical and selected laboratory courses. This is paid upon enrollment. Proof of payment (your registration receipt) must be provided to the instructor.
- **Program Orientation.**
- Specialized Equipment and/or Lab Supplies must be purchased at student's expense in accordance with course syllabi. Detailed information will be provided by the Program Coordinator.
- **Substance Abuse Screening** will be required for each student enrolling in health career programs with clinical components. For further information, please ask a Health Counselor or call the Program Coordinator. ***NOTE: Substance abuse screening may not be completed for more than three (3) months prior to the first clinical education course.*** Website: [http://www.elpasoex.com](http://www.elpasoex.com).
- **Uniforms** must be purchased at student's expense in accordance with course syllabi. Detailed information will be provided by the Program Coordinator.
- Transportation: Students are responsible for their own transportation to off-campus clinical/learning sites.
- Textbooks and other course materials must be purchased at student's expense in accordance with course syllabi.
