Dean: Dr. Paula Mitchell, Health Career & Technical Education, Math and Science
Office Location: RG Campus, RM A-240.
Phone #: 915-831-4030
Email: pmitche8@epcc.edu

Program Counselor: Priscilla Gutierrez
Office Location: RG Counseling Dept., 103 Montana Ave., 3rd. floor
Phone #: 915-831-4022
Email: pguvie21@epcc.edu

To qualify for Specialized Admissions, applicants/students must satisfy all of the following: General Requirements, meet minimum TSI scores, Mandatory courses, and Pre-Program Specifics. Once all requirements are completed, ranking points are derived from the most recent TSI scores and most recent G.P.A of ranking courses. Applicants who complete all ranking courses may be more competitive for admission into their program of their choice.

GENERAL REQUIREMENTS

Applicants for Specialized Admissions must satisfy minimum criteria in order to be eligible for ranking. The following is required of all applicants:

- Submit all previous college/university official transcripts (transliteration of all foreign coursework required) prior to ranking.
- Must have a High School Diploma or GED. Submit official transcripts to:
  El Paso Community College Admissions Office
  P.O. Box 20500, El Paso, Texas 79998
- Must be fully accepted by EPCC as an academic credit student.
- Must have successfully completed the TSI Assessment Test.
- Attend a Health Careers Orientation Session or complete it online at: http://www.epcc.edu/HCO/Pages/default.aspx
- Submit Specialized Admissions Application form and pay $ 10.00 fee.
- All academic and specialized courses listed on the degree plan must be completed with a “C” or better.
- EPCC Cumulative GPA of 2.0 is required.
- “Effective Fall 2011, and based on new federal regulations, students are not allowed to repeat previously passed courses more than once.” Students should meet with a counselor to determine how a repeat course (s) may impact his/her academic, prerequisite, specialized admissions or transferability of courses. It is the student’s responsibility to check with the Office of Student Financial Services to inquire how a repeat course (s) may impact their financial aid or veteran's assistance.
The Texas State Legislature mandates that institutions assess all entering undergraduate students for readiness to enroll into college-level course work in the academic areas of Essay, Reading, Math, and Writing Assessment, and to provide individualized developmental education programs to those students not demonstrating this readiness. The Texas Higher Education Coordinating Board (THECB) requires the reporting of developmental progression and outcome of all students engaged in developmental education. Refer to EPCC Catalog or see your counselor for more information.

**Texas Success Initiative (TSI) Assessment Requirements**

The Texas Success Initiative (TSI) Assessment scores are valid for five (5) years and only the most recent test score will be the one used for qualifying and ranking. Official Assessment scores must contain all four (4) subject areas (Essay, Reading, Math, and Writing). Posting of TSI Assessment scores will take between 24 to 48 hours. TSI Assessment Test must be completed at least 48 hours prior to ranking date. Minimum TSI Assessment scores for Respiratory Therapy Program:

- Math (PTSM), 350
- Reading (PTSR), 351
- Writing (PTSW), 363
- Essay (PTSE), 6

Official TSI Assessment scores are valid for five (5) years and only the most recent test score will be the one used for qualifying and ranking. Official Assessment scores must contain all four (4) subject areas (Essay, Reading, Math, and Writing). Posting of TSI Assessment scores will take between 24 to 48 hours. TSI Assessment Test must be completed at least 48 hours prior to ranking date.

**Note:** Minimum required testing scores for TSI Assessment and/or Program Specific Criteria may be adjusted if a secondary ranking is necessary to fulfill enrollment requirements.

**Mandatory Courses: (0) Courses**

No mandatory courses.

**Ranking Courses: (2) Courses**

Ranking courses are courses within the degree plan in which performance most reliably predicts future ability to perform successfully in the program. It is highly recommended that all ranking courses be completed prior to ranking to be competitive. Ranking Courses cannot be substituted.

- **Note:** BIOL 1306 and BIOL 1106 are pre-requisites for BIOL 2404; prerequisites can be met through course completion or Biology placement exam.
  - BIOL 2404 Introduction to Anatomy & Physiology
  - RSPT 2317 Respiratory Care Pharmacology

**Note:** RSPT 1329 Respiratory Care Fundamentals will be an additional ranking course for Summer 2018 ranking.

- Ranking Courses should be completed no later than Spring Semester to be eligible for June 7, 2017 ranking.

**Processing of Pre-Program Specific Requirements**

It is highly recommended that the applicant complete the Pre-Program Specific Requirements at least three (3) weeks prior to the ranking date. The applicant must complete “Specialized Admissions” requirements for qualifying and ranking. There is a scheduled ranking date for this program. Normal processing may take a few days or a few weeks depending on document type and individual circumstances. If documents have been received, but not processed, then the student will be coded as ineligible for that ranking, because not enough time was given for validating and processing the information.
Applicants for Specialized Programs must also meet Pre-Program Specific Criteria prior to qualifying for ranking. The following is required of all applicants:

- **Background Check** must be completed by each student prior to enrollment in clinical courses. The student will not be able to go to the clinical areas/health care facilities until cleared. For further information, please ask a Health Counselor or call the Program Coordinator. Website: [http://www.elpasoex.com](http://www.elpasoex.com). You will receive a letter from the Dean, Health Career & Technical Education, Math and Science division after the background check is reviewed. **NOTE:** A background check must be repeated at student’s expense if the student is not enrolled in a health-related program for one or more semesters. **

Background checks are done prior to acceptance into most health programs or courses. Students are responsible for the costs. Currently, the approved vendor for El Paso Community College is American Databank. Only background checks from American Databank are accepted. (www.elpasoex.com). There are two Levels of background checks: **Level I** includes all students and includes: (1) Social Security Number Verification, (2) Criminal Search 7 years minimum or up to 5 criminal searches, (3) Violent Sexual Offender and Predator Registry Search, (4) Office of the Inspector General (OIG) List of Excluded Individuals/Entities, (5) GSA List of Parties Excluded from Federal Programs (6) U.S. Treasury, Office of Foreign Assets Control (OFAC), List of Specially Designated Nationals (SDN), and (7) State Exclusion List. **Level II** is for students already licensed or certified in any area. Level II requires all of the Level 1 elements plus (1) License Verification, (2) Certification Verification, and (3) Employment Verification, including reason for separation and eligibility for re-hire.

A positive criminal history will require proof of the official case disposition for clearance. Generally, disqualifying criminal offenses include but are not limited to (1) any felony conviction within the last 10 years or two or more misdemeanors in crimes against persons or families such as homicide, kidnapping, rape, sexual assault, assault, battery, aggravated robbery, theft, any misdemeanor or felony conviction involving violence, neglect, or exploitation against a child, vulnerable adult, or disabled individual, and felonies or 2 misdemeanors involving manufacture, importation, delivery, or possession of controlled substances, including felony conviction of DWI or two misdemeanor DWI convictions. Deferred adjudication for any felony is also a disqualifying event for enrolling into this Health Program.

- **Immunizations and Titer** – The following must be completed:
  - **POSITIVE TITER** required for Hepatitis B vaccination series of 3 and Titer (can take 4-6 months to complete) if a student has started the Hepatitis B series by ranking deadline (June 7), he/she may be cleared for ranking or registration with the understanding that the series must be completed in a timely manner prior to starting clinical courses. Documentation of starting the series must be on file.
  - **Tuberculosis Screening and/or testing** (completed) (done annually), or chest x-rays and questionnaire (annual).
  - **POSITIVE TITER** required for each 2 doses - Measles, Mumps and Rubella Vaccinations (MMR) (completed) and Titer.
  - **POSITIVE TITER** required for each 2 doses - Varicella Vaccination and Titer (completed).
  - **Tetanus/Diphtheria and Pertussis (Tdap) (completed).**
  - **Influenza is required** (or completed declination form) (NOTE: If declined, will have to wear a mask in clinical) (done annually).
  - **Meningitis or booster**
    - (Effective January 1, 2012, a Bacterial Meningitis Vaccination is required for all entering students under the age of 22. The term entering students includes new students to EPCC, transfer students, and returning students. Students must provide proof of an initial meningitis immunization or booster to Admissions and Registration Department at any campus. The meningitis immunization must be administered at least 10 days before the start of the semester and must have been administered within the last five years). Visit Admission and Registration EPCC web page for additional information. ([http://www.epcc.edu/Registration/Pages/default.aspx](http://www.epcc.edu/Registration/Pages/default.aspx)).

**NOTE:** After vaccination is administered, you must wait 4-6 weeks for immunity to show up on the TITER.

---

PROGRAM SPECIFIC MATERIAL SHOULD BE TURNED IN AS SOON AS COMPLETED TO: Frederick M. Torres/RSPT Program Coordinator, RG Campus, room B-216 - Telephone # (915) 831-4422 OR Frances Maldonado, RG Campus, room A-226A - Telephone # (915) 831-4225.

**POST SPECIALIZED ADMISSIONS**

Students are responsible for the following requirements **AFTER accepting a seat in the program**.

- Must file a degree plan with designated Health Counselor
- **Current CPR Certification** at the Professional Level (must be from American Heart Association-Healthcare Provider ONLY). Must include AED. (Online CPR courses are not acceptable). Liability Insurance (Professional Practice Insurance) is required for all clinical and selected laboratory courses. This is paid upon enrollment. Proof of payment (your registration receipt) must be provided to the instructor.
- **Community Wide Orientation** (Renew every year) (online at: [http://www.epcc.edu/cwo/](http://www.epcc.edu/cwo/)).
- **HIPAA TRAINING** (Renew every year) (online at: [http://www.epcc.edu/hipaa/Pages/default.aspx](http://www.epcc.edu/hipaa/Pages/default.aspx)).
- **Liability Insurance** (Professional Practice Insurance) is required for all clinical and selected laboratory courses. This is paid upon enrollment. Proof of payment (your registration receipt) must be provided to the instructor.
- Physical Exam (current) completed by a Physician, Nurse Practitioner or Physician’s Assistant licensed in the United States.  
- Physical Technical Standards form (completed).  
  [http://www.epcc.edu/InstructionalPrograms/Documents/Physical%20Form.pdf]
- Program Orientation.
- Specialized Equipment and/or Lab Supplies must be purchased at student’s expense in accordance with course syllabi. Detailed information will be provided by the Program Coordinator.
- Substance Abuse Screening will be required for each student enrolling in health career programs with clinical components. For further information, please ask a Health Counselor or call the Program Coordinator. ***NOTE: Substance abuse screening may not be completed for more than three (3) months prior to the first clinical education course. *** Website: [http://www.elpasoex.com].
- Uniforms must be purchased at student’s expense in accordance with course syllabi. Detailed information will be provided by the Program Coordinator.
- Transportation: Students are responsible for their own transportation to off-campus clinical/learning sites.
- Textbooks and other course materials must be purchased at student’s expense in accordance with course syllabi.

PROGRAM SPECIFIC MATERIAL SHOULD BE TURNED IN AS SOON AS COMPLETED TO: Frederick M. Torres/RSPT Program Coordinator, RG Campus, room B-216 - Telephone # (915) 831-4422 OR Frances Maldonado, RG Campus, room A-226A - Telephone # (915) 831-4225.

OTHER INFORMATION

- CPR and First Aid Courses are available through the EPCC Continuing Education Division. Please see the current Continuing Education Course Schedule or call 915-831-4116 for more information.
- Immunizations, physical examinations, and other health care services are available through the El Paso Community College Rio Grande Border Health Clinic located at the Rio Grande Campus.
- Call 915- 831-4016 for appointments for the nursing clinic (immunizations and physical examinations).
- Call 915-831-4017 for appointments for the dental, medical sonography, or physical therapy clinics.
