
EPCC Computer Tech, Engineering, Mathematics, Sciences, and Allied Health Scholarship

The Texas Higher Education Coordinating Board (THECB) has scholarships available to EPCC T-STEM and Allied Health students for fall 2012, spring and summer of 2013, and fall of 2013. Awards are granted without regard to race, color, creed, sex, religion, disability, or national origin. Incomplete applications will not be evaluated. The deadline for submitting the application is: **August 30, 2012.** Deadline has been extended to September 21, 2012.

The scholarship requirements are to:

- Be a U.S. Citizen, Copy of proof of Citizenship (Birth Certificate/Passport) and EPCC School ID to be submitted with the application.
- Have an overall cumulative GPA of 3.0 at EPCC.
- Seek employment and willingness to work with T-STEM companies affiliated with the College (Part-time employment is acceptable and list of affiliates will be provided for your use).
- Have to complete thirty credit-hours per academic year (fall/spring) while receiving scholarship to remain eligible for continued funding.
- Register with Selective Service (Copy of proof of registration required with application).

Scholarship recipients are selected on a number of criteria; including academic record, potential to succeed, leadership, honors, work experience, and a statement of educational and career goals. Acceptance of this $2,500 scholarship is an agreement to the scholarship requirements cited above.

The applicant should submit the following:

1. A current official transcript
2. A letter of recommendation from one of your T-STEM/Allied Health Faculty member
3. A completed application form
4. A brief(1 page) biographical sketch.
