

Another Institution Test Request

This service is provided at any El Paso Community College, Testing Services Campus location and will be processed by each campus location staff. Testing services will administer the Placement Tests (listed below) for students of another college or university. Test scores will be sent on EPCC letter head stationary (not an EPCC college transcript). It is the examinee's responsibility to confirm with their college or university that they will accept the Placement Tests administered at EPCC. Student will be provided a copy of their Score Report when testing is completed.
