EL Paso Community College

El Paso Community College Accepts:

TEAS Version V
Test of Essential Academic Skills

www.atitesting.com/ati_store

Background

Effective **June 2013** you will need to take the **TEAS Version V** assessment and meet minimum scores to qualify and rank.

Important

A minimum composite score of 57% based on all four subject areas: Reading, Math, English and Language Usage and Science is required for qualification and ranking.

A composite score can only be attained through testing on all four areas at one sitting.

What is the cost of the TEAS Version V?

\$ 76.00 plus tax for all four subsections.

(At this time)

How often can a student test or re-test?

A student can test and re-test up to four times. After a fourth unsuccessful attempt, the student must wait 6 months to re-testing.

After each unsuccessful attempt, student must wait 21 days.

What happens if I re-test prior to the 21 day waiting period?

ATI will allow you to register for the exam with \$76. test fee plus tax and EPCC Testing Center will administer the test, however, your test results will be invalid for EPCC qualification and ranking.

Test scores will not be posted on our Banner system and No Refund will be provided by ATI.

How old can test scores be?

TEAS Version V Scores are valid for two years and only the most recent scores will be use for qualification and ranking.

How Do I prepare for the Test?

Manual Study Guide are available	\$46.00
On – Line Practice Assessment -Form A (Only)	\$42.00
Study Package-Study guide and online Practice form A and B	\$99.00

www.atitesting.com/ati_store

Where do I take the Test?

Report to 9050 Viscount Blvd

Building “B” Room –B-335

Arrive 15 minutes early for check –in

late arrivals will NOT be allowed to test

individuals MUST present a current valid photo ID and ATI Username and password.

What if I don't achieve the minimum score?

Students must re-test in all areas if they did not successfully meet minimum composite scores.

They must also wait 21 days before retesting.
