EPCC Celebrates 50 Years Opening Its Doors to the Public

El Paso TX April 6, 2019 – The El Paso Community College (EPCC) opened its doors to the community as part of its 50th Anniversary Celebration in a fun environment for the whole family; music, food, entertainment and information about EPCC careers, registration and the institution in general.

Several departments from EPCC collaborated to make this event a success, including Student Leadership and Campus Life who hosted its annual Creative Kiddie Corner (CKC.) Student clubs and organizations from EPCC and the community came together to provide fun, interactive, and educational activities to kids 10 and younger. Performances and snacks were also provided and the event was free of charge.

As part of its year-long 50th Anniversary celebration, EPCC launched Tejano Go! scavenger hunts at the Community Open House event. Everyone who completes a hunt will have the chance to win prizes, like portable hard drives or tablets. To access the hunts, go to <https://www.scavify.com/download> and search “EPCC Tejano Go!” or download the Scavify app from App Store and Google Play and search for “EPCC Tejano Go!”

For 50 years, EPCC has been a progressive educational leader providing quality, affordable education that facilitates success for students and increases the economic prosperity of our region.
