3. EPCC Best Start Bank Account Opening. The EPCC Best Start Bank Accounts may be opened by Bank using Bank personnel anywhere permitted by applicable law and regulations; provided however, that College shall have the right to determine where, on the College’s premises, such accounts may be opened. Bank will make its personnel available when agreed to by the parties, at dates, times and places to be agreed upon by the parties, for the purpose of accepting EPCC Best Start Bank Account applications from EPCC Best Start Card holders. Bank may accept deposits to EPCC Best Start Bank Accounts anywhere and by any means permitted by law, including without limitation Bank’s offices, mobile branches and messengers, and automated teller machines (“ATMs”) or other electronic means of accepting deposits. College will have the right to issue replacement EPCC Best Start Cards in accordance with the terms of this Agreement to EPCC Best Start Card holders, whether or not they have a EPCC Best Start Bank Account, subject to Section 2 of this Agreement, provided College confirms that the original EPCC Best Start Card has been duly reported as lost or stolen to Bank by the EPCC Best Start Card holder.

Bank has the right to refuse to open a EPCC Best Start Bank Account. Bank personnel shall provide support for the implementation of the financial services associated with the EPCC Best Start Card program, including the opening of checking accounts for Eligible College Community Members. Additional Bank personnel will be available and assigned as reasonably needed to support EPCC Best Start Card Bank Account services during peak activity times, such as the initial re-carding process and first year student orientations.

The front side shall have these minimum requirements: (i) an electronically stored photo of the EPCC Best Start Card holder, (ii) the EPCC Best Start Card holder’s relationship to College (faculty, staff, student), (iii) the EPCC Best Start Card holder’s first and last name. College shall be responsible for any costs associated with the new design of the EPCC Best Start Card as applicable. While College shall cooperate with Bank to create a EPCC Best Start Card design with the intention of maximizing market potential and having an otherwise attractive appearance, College shall retain the right to disapprove Bank’s design when it finds the design to adversely impact the professional image or reputation of College or to be otherwise disadvantageous to College. Notwithstanding anything in this Agreement to the contrary, any provision contained in this Agreement regarding the design and/or specifications of the EPCC Best Start Card shall be subject to any applicable card association rules and regulations (such as, without limitation, Visa and/or MasterCard) and subject to any other applicable law, rules or orders. No additional marks or logos shall be placed on the Card without prior Bank approval.

6. Conversion to and Issuance of New Cards. Eligible College Community Members will have a choice of either the linked EPCC Best Start Card with exclusive Bank financial services or a standard College EPCC Best Start Card without the capability to access Bank financial services. All cards shall be issued by the College. Nothing herein shall require Eligible College Community Members to employ the Bank’s financial services. In order to achieve timely conversion and issuance of the new EPCC Best Start Card, College shall as soon as is practical

Bank will be responsible to pay for the actual cost of plastic card stock, printers, ribbon and initial marketing of the card up to $73,575.00 during initial re-carding efforts, as detailed in Exhibit A. In addition, Bank will support ongoing marketing of the EPCC Best Start Card for each year of this Agreement. For incoming first year and transfer College students, and new faculty and staff, Bank shall cover the actual cost of plastic card stock only. Within ten (10) days of the execution of this Agreement, College will furnish the card stock vendor information to Bank for verifying that the vendor's card product will meet industry card production standards.

For EPCC Best Start Card holders who already have a Bank account available for association with their EPCC Best Start Card, once the EPCC Best Start Card is encoded with the appropriate card number, Bank will enter the number into Bank's system and link such number to the corresponding checking account at Bank.

For EPCC Best Start Card holders who initiate a EPCC Best Start Bank Account request at the College, College will provide information in such format and at such time as may be reasonably agreed to by College and Bank, containing such information as Bank deems is necessary to open EPCC Best Start Bank Accounts. Bank shall be responsible for the cost of its equipment and software to receive data transmissions from College to set up and maintain the EPCC Best Start Bank accounts. At the time a student or faculty/staff member elects to obtain a EPCC Best Start Bank Account (i.e., when the EPCC Best Start Card "links" to the EPCC Best Start Bank Account), College will identify to Bank the status of the EPCC Best Start Card holder as an Eligible College Community Member.
7. **Post-conversion Changes to the EPCC Best Start Card.** College reserves the right to make alterations within a mutually agreed upon time to the EPCC Best Start Card program which may require re-issuance of cards, in which case College would be responsible for out-of-pocket and other expenses directly associated with the re-issuance, provided that Bank will dedicate the number of staff necessary to implement and maintain Bank’s financial services throughout any re-issuance effort. College agrees that said changes will not diminish the financial services provided by Bank through the EPCC Best Start Card program and will notify Bank of proposed alterations within a reasonable time prior to making the alterations.

8. **Matters Relating to Lost or Stolen Cards; Fraudulent Use.** Should a EPCC Best Start Card be lost or stolen, the Bank shall provide for a system to immediately disable, upon notification of the loss or theft, the EPCC Best Start Card’s capability for processing transactions through the EPCC Best Start Bank Account. Bank shall provide EPCC Best Start Card holders, without cost to the College, a toll-free phone number for the purposes of notifying the Bank of lost and stolen EPCC Best Start Cards. Such system of notification and account disablement shall be available twenty-four hours a day, seven days a week. Bank shall also respond to lost/stolen card reports made in-person to Bank representatives during regular Bank business hours.

Bank shall assume financial liability for transactions conducted with lost or stolen EPCC Best Start Cards in the same manner, pursuant to the same policies and to the same extent as such liability is assumed for Bank’s general population of checking account/debit card customers located in the state of Texas.

9. **Persons No Longer Eligible College Community Members.** Should an individual due to an interruption in an educational program, a separation from employment, or for any other reason cease to qualify for College provided identification benefits of the EPCC Best Start Card, College shall in accordance with such policies and procedures as it may establish, terminate the functionality of the EPCC Best Start Card and its College identification benefits. However, College shall not be required to collect the EPCC Best Start Card; nor shall the EPCC Best Start Card holder be required to forfeit the EPCC Best Start Card. Bank may or may not discontinue the Services of the EPCC Best Start Bank Account of any individual no longer qualifying as an Eligible College Community Member. College shall provide to the Bank a report no less than once each academic school year informing the Bank of the names of persons no longer Eligible College Community Members along with such persons’ EPCC Best Start Card’s 16-digit ISO numbers and such other information as the parties shall mutually agree no later than thirty (30) days from the start of the Fall Semester for each year of the Agreement.

10. **Disposition of Cards Upon Termination.** Upon the termination or expiration of this Agreement for any reason, outstanding EPCC Best Start Cards actively serving as College’s multi-function identification card and displaying the Bank Marks may or may not be replaced by College, at the College’s sole discretion. Such outstanding EPCC Best Start Cards may continue to serve as a College identification card with such College benefits as College may choose, for so long as College desires. Further, upon termination or expiration of this Agreement, Bank shall
within a reasonable time thereafter cease identifying the accounts generated under this Agreement as EPCC Best Start Bank Accounts and shall use reasonable efforts to transfer access to the accounts from the EPCC Best Start Cards to alternative access devices at the termination or expiration of this Agreement. The parties shall cooperate with each other in the transition of operations to any successor to the EPCC Best Start Card program described in this Agreement, including but not limited to providing assistance in shifting ISO numbers and providing such information in such format as is reasonably requested and needed by the parties to accomplish the transition.

11. ISO Number Ownership. At all times, College shall be deemed to own the ISO numbers associated with the EPCC Best Start Cards issued pursuant to this Agreement.

12. Vendor Support. Bank plans to continue its membership in various ATM network associations, POS network associations, and card associations, or any such successor organizations. College has no responsibility for, and no relationship with, third party vendors accepting the EPCC Best Start Card for ATM and debit card transactions as a result of this Agreement.

13. Grant to Use College Name and Marks. College hereby grants Bank during the Term an exclusive, non-assignable, and irrevocable world-wide license to use, display, reproduce, and otherwise exploit the various logos and other identifying property and marks set forth on Exhibit “B” of this Agreement (collectively, the “College Marks”) for the sole purpose of offering and promoting the financial products and services limited to Eligible College Community Members only through the EPCC Best Start Card program. All applications of the College Marks by the Bank must conform to Exhibit “B,” along with any specifications established by the College which specifications may be amended from time to time. Bank will make no other use of the College Marks or any other trademark or tradename owned by or associated with the College without, in each case, College’s prior explicit written consent. Bank shall deliver all EPCC Best Start Card designs and all promotional and informational materials prepared by Bank for Eligible College Community Members that contain any College Mark to College prior to publication for College’s prior written consent which consent shall not be unreasonably withheld or unduly delayed.

Bank acknowledges and agrees that College is the owner of the College Marks, that the limited right hereunder to use the College Marks does not confer upon Bank any license or right of ownership of the College Marks, and all use of the College Marks by Bank will inure to the benefit of College. Accordingly, Bank’s limited right to the use of the College Marks for any purpose is solely by reason of this Agreement, and Bank shall not raise or cause to be raised any questions concerning, or objections to the validity of, or the right to the use of, the College Marks or the right of the College thereto, on any grounds whatsoever, or file any application for any mark, or obtain or attempt to obtain ownership of a mark or trade name, in any country of the world, which refers to or is confusingly similar to the College Marks or any mark, design or logo intended to identify the College. Upon expiration or termination of this Agreement for any
reason, Bank will immediately cease any and all use of the College Marks or any variation of the College Marks on promotional and informational materials prepared by Bank in connection with this Agreement, which is limited to materials directed to Eligible Community Members.

College does not make, and hereby disclaims, any representations or warranties with respect to the College Marks, or with respect to whether the College Marks infringe the rights of any other party, or with respect to the existence of any state or federal registration of the College Marks or design as a tradename, trademark or mark. If there is any claim against College or Bank that the College Marks or any modifications thereof, as authorized by College, infringe the rights of another party, College will, at its own expense, defend Bank's right to use of the College Marks as authorized under this Agreement. In the event any such claim is resolved adversely to College or Bank, or in the event College agrees to discontinue its use of the subject mark(s) in order to resolve any such claim, which it shall have the right to do in its sole discretion, then College agrees to indemnify Bank against any expenses Bank incurs in discontinuing use of the marks and adopting use of alternative noninfringing marks, subject to the limitation of liability set forth in Section 20. College further agrees to indemnify Bank against all liabilities Bank incurs to third parties (including, without limitation damage awards obtained by such third parties against Bank), together with Bank's reasonable costs of defending against such liabilities (including reasonable attorney fees), arising from Bank's use of the College Marks, when such usage is in accordance with the terms of this Agreement. Subject to the foregoing, if requested by the College, Bank agrees to immediately discontinue the use of any College Marks where there has been a claim of infringement and the claim has been resolved adversely to College or Bank, or where College agrees to discontinue use of the marks in order to resolve the claim.

14. Grant to Use Bank Name and Marks. Bank hereby grants College during the Term a non-exclusive right and license to use the marks set forth on Exhibit "C" of this Agreement (collectively, the "Bank Marks") on all EPCC Best Start Cards and all promotional and informational materials prepared by College in connection with the EPCC Best Start Card under this Agreement. The Bank Marks shall appear on all EPCC Best Start Cards. College will make no other use of Bank Marks without Bank's prior written consent. College agrees that all products and/or services offered in connection with the EPCC Best Start Card program shall be of a nature and quality commensurate with the nature and quality of the College's EPCC Best Start Card program. College shall deliver all EPCC Best Start Card designs and all promotional and informational materials prepared by College that contain any Bank Mark to Bank prior to publication for Bank's prior written consent.

College acknowledges and agrees that Bank is the owner of the Bank Marks, that the limited right hereunder to use the Bank Marks does not confer upon College any license or right of ownership of the Bank Marks and all use of the Bank Marks will inure to the benefit of Bank. Accordingly, College's limited right to use of the Bank Marks for any purpose is solely by reason of this Agreement, and upon expiration or termination of this Agreement for any reason, College will immediately cease any and all use of the Bank Marks or any variation of the Bank Marks on EPCC Best Start Cards issued after the effective date of such expiration or termination.
Bank does not make, and hereby disclaim, any representations or warranties with respect to the Bank Marks, or with respect to whether such Bank Marks infringe upon the rights of any other party, or with respect to the existence of any state or federal registration of the Bank Marks or design as a trademark, trademark or service mark. If there is any claim against Bank or College that the Bank Marks or any modifications thereof, as authorized by Bank, infringe the rights of another party, Bank will, at its own expense, defend College’s right to use of the marks as authorized under this Agreement. In the event any such claim is resolved adversely to Bank or College, or in the event Bank agrees to discontinue its use of the marks in order to resolve any such claim, which it shall have the right to do in its sole discretion, then Bank agrees to indemnify College against any expenses College incurs in discontinuing use of the marks and adopting use of alternative noninfringing marks, subject to the limitation of liability set forth in Section 20. Bank further agrees to indemnify College against all liabilities College incurs to third parties (including, without limitation damage awards obtained by such third parties against College), together with College’s reasonable costs of defending against such liabilities (including attorney fees), arising from College’s use of the Bank Marks, when such usage is in accordance with the terms of this Agreement. Subject to the foregoing, if requested by Bank, College agrees to immediately discontinue the use of any Bank Marks where there has been a claim of infringement and the claim has been resolved adversely to Bank or College, or where Bank agrees to discontinue use of the marks in order to resolve the claim.

Except as set forth in this paragraph, any change by Bank in the specifications for any of Banks Marks will apply only to EPCC Best Start Cards issued or reissued after notice of the change is given to College. College shall be permitted to issue EPCC Best Start Cards using stock which is already on order with the supplier as of the time Bank notifies College of desired changes without regard to the lapse of time between ordering and receipt of the card stock, provided that College determines that such use is needed to permit its EPCC Best Start Card program to continue without interruption. Notwithstanding any provision of the Agreement to the contrary, if Bank desires to make changes to the Bank Marks or to eliminate the Bank Marks on cards already issued, on order, or in stock with College, Bank shall pay all of College’s costs related to such changes. College shall have no obligation to reissue EPCC Best Start Cards with new Bank Marks solely because Bank assigns this Agreement, merges with another institution, changes its name, or is purchased by another entity, or upon expiration or termination of this Agreement.

15. **Link on College Website.** In connection with the linking of any College website to a Wells Fargo website, College agrees to execute the License Agreement attached hereto as Exhibit D.

16. **Compliance With Applicable Law and Indemnity.** The parties hereto agree to comply with all federal, state and local law to the extent that it is applicable to the performance of this Agreement. For purposes of this Agreement, College will be considered the “issuer” of the EPCC Best Start Card, except to the extent the EPCC Best Start Card is used to perform electronic funds transfers to or from any EPCC Best Start Bank Account or to perform other transactions
involving the EPCC Best Start Bank Account, in which case Bank will be considered the "issuer". Bank will not be responsible to College or any EPCC Best Start Card holder for any liability arising from College’s "issuer" responsibilities. Bank will be considered the "issuer" of the Card as it pertains to electronic funds transfers to or from any EPCC Best Start Bank Account and to the performance of any other financial transactions involving a EPCC Best Start Bank Account. Bank will be responsible to EPCC Best Start Card holder for any unauthorized or erroneous transaction involving the EPCC Best Start Bank Account to the extent provided for under federal Regulation E (12 C.F.R. 205.1, et seq.), to the extent applicable. College will not be responsible to Bank or any EPCC Best Start Card holder for any liability arising from Bank’s issuer responsibilities or for losses to any EPCC Best Start Bank Account; provided however, that nothing herein will exonerate College from any obligations breached by College. In connection with the direct deposit of guaranteed student loan disbursements and other student financial aid or other College disbursements into the EPCC Best Start Bank Accounts, if any, College will comply with all applicable laws and regulations.

The Bank warrants and represents to the College that this agreement in all of its respects, factual and legal, does not violate the Sherman Act, 15 U.S.C. § 1 et seq., the Texas Free Enterprise and Antitrust Act of 1983, Tex. Bus & Com. Code § 15.01, or any other law, statute or regulation governing restraint of trade, monopoly or other legal restriction upon or relating to trade and/or banking. In the event that the College is made a party (or has a claim asserted against it) arising from the alleged violation of any such law, statute, or regulation, the Bank shall defend, indemnify and hold the College harmless from same without restriction or reservation.

17. Reports. Bank will provide reports to College in such detail as may be reasonably requested by College.

18. Marketing. Bank shall fully cooperate and shall work in conjunction with College to promote the College EPCC Best Start Card program through various marketing efforts, although all such marketing shall emphasize the voluntary option held by Eligible College Community Members to accept or reject the Bank’s financial services. Both Bank and College shall approve the content, timing, and use of all promotional initiatives and advertising materials related to the services contemplated under this Agreement. In cooperation with Bank, College will promote services provided under this Agreement to Eligible College Community Members through various distribution networks available to College. College will provide Bank with the opportunity to include inserts funded by Bank in College mailings to College Cardholders and new incoming College students, which may also include a CD-ROM communicating the College EPCC Best Start Card program and Wells Fargo financial services, subject to the above conditions. All other mailings shall be mutually agreed on and where appropriate approved by the applicable College department and Bank. In addition, College will communicate during orientation the College EPCC Best Start Card program to all parents/guardians and students subject to the above conditions. The College EPCC Best Start Card program will be communicated as the students are issued their identification card. As mutually agreed, Bank will actively participate in student orientations by inclusion in video presentations and College
website links and the presence of Bank representatives at the orientations. College agrees to cooperate with Bank exclusively in the expansion of financial services available to current and future EPCC Best Start Card holders.

19. **Insurance.** Bank represents and warrants that at all times during the Term, Bank shall maintain commercial general liability insurance, including coverage for bodily and personal injury, property damage, and products liability, with limits of not less than $1,000,000 each claim and $3,000,000 each occurrence. In addition, Bank shall obtain and keep in force automobile liability insurance in an amount not less than $1,000,000 combined single limit. Each policy shall name the College as an additional insured. Bank shall also obtain and keep in force workers’ compensation insurance to the extent required by law and furnish proof of such to College upon request. Bank represents that the financial strength, integrity and contractual obligations of Bank provide protection for its customers with respect to risk associated with the products and services to be provided by Bank. Bank further represents that it maintains a Professional Liability policy (also known as an Errors and Omissions policy), a Financial Institutions Bond (also known as a Fidelity Bond), and other policies with coverages and provisions considered within industry standards for similarly situated financial services companies. Bank has the right at any given time to self-insure any of the insurance coverage as long as it is a normal accepted practice for a financial services company of its financial strength.

20. **Liability.** Bank will exercise reasonable care in providing electronic funds transfer services and other services to EPCC Best Start Card holders as contemplated under this Agreement, subject to breakdowns, operational failures, unavoidable delays, or similar causes beyond the party’s reasonable control.

Bank does not control, and, except as provided in Federal Reserve Board Regulation E and state law to the extent applicable, is not responsible to College for any error, act, or omission with respect to ATMs or POS terminals not owned and operated by Bank.

Bank does not undertake to ensure that EPCC Best Start Card holders will at all times be able to successfully accomplish transactions with Bank by any electronic means, including but not limited to ATMs, POS terminals, the Internet, or other existing or future technology associated with EPCC Best Start Cards, EPCC Best Start Card holders’ account numbers or personal identification, or otherwise (herein “Electronic Means”). Transactions cannot be processed during off-line periods. When the computer maintaining the on-line files is off-line or rendered inoperable at any time for maintenance or servicing, or due to mechanical failure, strike, lockout, riots, epidemics, war, acts of terror, governmental regulations or other cause beyond Bank’s reasonable control, such that no on-line processing of transactions may be possible, no customer transactions will be processed by Electronic Means and Bank will have no liability as a result. Bank will, however, exercise reasonable care to promptly reinstate service.

IN NO EVENT SHALL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER FOR ANY CONSEQUENTIAL, SPECIAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE WHETHER OR
NOT ANY CLAIM FOR SUCH DAMAGES IS BASED ON TORT OR CONTRACT OR EITHER PARTY KNEW OR SHOULD HAVE KNOWN THE LIKELIHOOD OF SUCH DAMAGES IN ANY CIRCUMSTANCES.

21. Representations and Warranties; Board Approval. Each party hereby represents and warrants to the other that the party has full right, power and authority to fully perform its obligations under this Agreement, and that it has full right, power and authority to execute and deliver this Agreement, and that the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized and approved by all necessary corporate action required to be taken on the part of the party including, when necessary, approval thereof by the party’s Board of Directors or Board of Trustees, as applicable. Each party hereby further represents and warrants to the other that this Agreement constitutes a valid and binding obligation of the party enforceable in accordance with its terms except as the same may be limited by bankruptcy, insolvency, reorganization or other laws relating to or affecting the enforcement of creditors’ rights and except as courts of equity may limit certain remedies such as specific performance. Each party further represents and warrants to the other that the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not conflict with, or result in the violation of, any laws or regulations applicable to the party, or of the charter, articles of association or bylaws of a party, or any agreement or other instrument to which the party is subject or by which the party or any of its properties or assets are bound.

22. Examinations. Except to the extent applicable law prohibits such, all records maintained by College pertaining to Bank and its EPCC Best Start Bank Account customers and relevant to the performance of this Agreement will be available for examination and audit by the United States Department of Treasury, Office of the Comptroller of the Currency. Bank will provide College or its duly authorized representatives with reasonable access to Bank’s records for the purpose of enabling College to confirm Bank’s compliance with the terms of this Agreement. All such records may be audited by the College or its designated representative(s) at any time during Bank’s regular working hours upon reasonable notice. Bank may require persons obtaining access to Bank’s records under this Section 22, as a condition to obtaining access, to execute written confidentiality agreements setting forth the matters as addressed Section 24.

23. Exclusivity. During the term of this Agreement, College will not cause or authorize any College identification card to be used as a device to perform electronic funds transfers to or from an account with a financial institution (including, without limitation, banks, savings banks, savings associations, and credit unions) or as a device for accessing a person’s account with a financial institution other than Bank, except as otherwise agreed in writing by Bank. Nothing herein shall prevent EPCC Best Start Card holders from using EPCC Best Start Cards as stored value cards, declining balance cards or smart cards. This section 23 is limited to financial usage of identification cards.
24. Confidentiality. College may be provided certain information concerning Bank and/or its affiliates or customers, or other information Bank deems proprietary (including, without limitation, customer account information, customer lists, business plans, data processing programs, and operating manuals), in connection with the transactions contemplated herein. Likewise, Bank may be provided certain information that College deems proprietary or confidential pursuant to the law or College policy. As a condition to being furnished such information by a party (herein the "Confidential Information"), the other party agrees as follows:

a. Except for EPCC Best Start Bank Account application data and EPCC Best Start Bank Account transaction information, which shall automatically be deemed to be Confidential Information of Bank, all information deemed confidential or proprietary by a party shall be clearly labeled "Confidential Information" or otherwise identified as "Confidential Information" in writing contemporaneous with furnishing such Confidential Information to the other party.

b. Each party will use the Confidential Information of the other party solely for the purposes expressly authorized in this Agreement or subsequently authorized by the other party in writing.

c. Each party will keep the Confidential Information of the other party confidential and (except to the extent required by law or legal process) refrain from disclosing the Confidential Information of the other party to any other person or party or using the Confidential Information of the other party for any purpose not expressly authorized under this Agreement or subsequently authorized by the other party in writing. Each party will be fully responsible for the unauthorized use or disclosure of the Confidential Information of the other party by any of its officers, directors, employees or other persons under its control.

d. In the event a party is requested or legally compelled (by subpoena, warrant, legal process or other civil or criminal law, rule or procedure) to produce, disclose, or provide the Confidential Information of the other party, the party will promptly notify the other party of that fact as soon as reasonably possible, except to the extent such notification is prohibited by law.

e. The parties agree that, to the extent applicable under the provisions of the Bank Service Company Act, they may be subject to examination by the OCC for the services provided in connection with this Agreement. The parties shall comply with the applicable requirements of 12 C.F.R. Part 30, and any other applicable law or regulation, by implementing and/or maintaining appropriate measures designed to: (1) ensure the security and confidentiality of Bank’s Confidential Information; (2) protect against any anticipated threats or hazards to the security or integrity of such information; and (3) protect against unauthorized access to or use of such information that could result in harm or inconvenience to any Bank customer. These
confidentiality and security provisions shall survive the termination of this Agreement.

f. Throughout the Term, Bank shall implement and maintain appropriate safeguards, in conformity with applicable federal law and regulations, for all customer information, if any, owned by the College and delivered to the Bank pursuant to this Agreement. The Bank shall promptly notify the College, in writing, of each instance of (i) unauthorized access to or use of that customer information that could result in substantial harm or inconvenience to a customer of the College or (ii) unauthorized disclosure, misuse, alteration or other compromise of that customer information.

g. Notwithstanding any of the above, the parties recognize that the College is subject to the Texas Public Information Act, Tex. Gov't Code § 552.001

In addition, Bank's customer lists, including names of Eligible College Community Members who are EPCC Best Start Card holders and who have EPCC Best Start Bank Accounts, are Bank's Confidential Information, for which Bank retains exclusive ownership and right during the Term. Therefore, although College is not precluded from using or disclosing the names of its students, faculty members, staff members or other Eligible College Community Members for any purpose it deems appropriate, College would be precluded from using a list comprised of EPCC Best Start Card holders who have obtained EPCC Best Start Bank Accounts from Bank if such use was for a purpose prohibited by this Section 24; provided, however, that College will not be deemed to be in breach of this Agreement in the event it is legally required (by subpoena, warrant, legal process or other civil or criminal law, rule or procedure) to produce, disclose, or provide such a list, provided it has made reasonable efforts to give Bank the notice required under subsection d., if applicable.

Within fifteen (15) days of the expiration or earlier termination of this Agreement, the parties shall either return if requested or otherwise destroy Confidential Information including documents, data and other information provided to each other in connection with this Agreement. Notwithstanding any provision herein to the contrary, Bank shall be permitted and shall retain such College Confidential Information for so long as: (i) is required by law; or (ii) as may be consistent with its normal business practices not to exceed five years, unless required by law.

25. Equipment. Bank is responsible for providing at its cost equipment listed in Exhibit A as necessary to implement the new EPCC Best Start Card program. Equipment needs not listed in Exhibit A are the responsibility of the College.

26. Termination.
a. This Agreement may be terminated by either party (the "Non-Defaulting Party") upon notice to the other party (the "Defaulting Party") upon the Defaulting Party’s material breach of any provision of this Agreement and failure to cure the breach within 30 days after written notice describing the breach and the action necessary to cure the breach is given by the Non-Defaulting Party to the Defaulting Party. In the event the Defaulting Party is in good faith unable to cure such material breach within 30 days, it shall commence the cure in a commercially reasonable manner and notify the Non-Defaulting Party of the anticipated cure date.

b. This Agreement may be terminated by either party without notice to the other party in the event a petition in bankruptcy (or similar law providing for the adjustment of debts, debt reorganization or liquidation of the party) is filed by the other party, a petition in bankruptcy (or similar law providing for the adjustment of debts, debt reorganization or liquidation of the party) is filed against the other party and is not dismissed within sixty (60) days, or a conservator or receiver is appointed for the other party or for all or a substantial portion of its assets.

c. This Agreement may be terminated by either party at any time if: (i) the operation of the EPCC Best Start Card program has or threatens to have a material adverse financial impact on Bank or College due to the use of one or more of the EPCC Best Start Card in a fraudulent manner or in a way which does not permit Bank or College to recover funds from the user(s) of the EPCC Best Start Card(s); or (ii) Bank is notified by a regulatory agency that any aspect of the EPCC Best Start Card program does not comply with any applicable law, regulation, rule or policy applicable to Bank or College.

27. Assignment. This Agreement may not be assigned by either party in whole or in part, other than by operation of law, without in each event the other party’s prior written consent. Any such permitted assignment will not, in any event, release the party from its obligations hereunder. Written consent will not be required for transfers resulting from corporate reorganization, consolidation or name change.

28. Subcontractors. Each party is responsible for the actions of its respective subcontractors used to perform pursuant to this Agreement. The party seeking to engage a third party to perform any material obligation under this Agreement must obtain the advance written consent of the other party. The party intending to use a subcontractor as described herein shall include in the agreement with such subcontractor an acknowledgment that such subcontractor is subject to the applicable terms and conditions of this Agreement. No contractual relationship shall exist between any Bank subcontractor and College unless such is evidenced in a separate contract independent of this Agreement. Notwithstanding the foregoing, College acknowledges that certain EPCC Best Start Card products and services to be provided by Bank may be supplied by or through Bank’s parent corporation, entities directly or indirectly owned or controlled by Bank or its subsidiaries, or entities affiliated with Bank or owned or controlled by entities affiliated
with Bank, and in such cases, no written consent or separate written contract shall be required for arrangements made with such entities.

29. Notices. Except as otherwise provided in this Agreement, all notices hereunder must be in writing and will be deemed given when mailed, or when delivered, if notice is given in any other manner, to the address of the party designated below or such other address as the party may designate by written notice to the other party. Each party disclaims reliance on any prior oral or written representations or undertakings by the other party in entering into this Agreement unless such representations or undertakings are expressly set forth in this Agreement. Wherever the parties agree to discuss a matter, there will be no implied agreement to agree, nor will any other standard be applied in determining a party’s performance that is not expressly set forth in the Agreement. Each of College’s employees having access to Bank’s computer systems will be required to sign Bank’s system access agreement.

   b. With regard to any computer system owned, controlled, or used by College or any agent or subcontractor of College, which computer system is now or hereafter physically or logically connected to or able to access any computer system owned, controlled, or used by Bank or which is used to store any Bank’s software or data, College shall comply with all Bank’s security policies, procedures, and standards governing or related to the connection or access to Bank’s computer systems as it may promulgate from time to time so long as College receives notice of such policies, procedures, and standards, and any relevant changes.

Student in good standing has an EPCC Best Start Card and links it to a Wells Fargo checking account in 2005. The student continues to enroll and attend EPCC every year for the next 3 years and maintains the linked EPCC Best Start Card for 3 years. - 2007 (3rd year of participation): $3

**Royalty Payment Structure Example B:**

Then the student re-enrolls in 2007 and maintains the same EPCC Best Start Card. Under this scenario, Wells Fargo would pay total of $3 for this relationship:
- 2005 (1st year of participation): $1
- 2006 (not enrolled - not eligible): $0

4. Exhibit A to the Agreement and any reference to the Exhibit A in the Agreement are hereby deleted their entirety.

5. Section 4 is hereby deleted in its entirety and replaced with the following:

Bank will pay EPCC for each eligible EPCC Best Start Card Bank Account linked to the EPCC Best Start Card for the purpose of ATM/PIN-based debit functionality and owned by an Eligible EPCC Community Member.
The number of EPCC Best Start Bank Accounts, for purposes of the Account Royalty computation, will be determined by Bank, based upon the number of eligible EPCC Best Start Card Bank Accounts which have a linked EPCC Best Start Card. Bank will use discrete product and customer identification and will only pay EPCC for one linked EPCC Best Start Card Bank Account per Eligible EPCC Community Member. To be considered for payment, the EPCC Best Start Bank Accounts must be in good standing, funded and owned by an Eligible EPCC Community Members at the time annual computation is computed. The annual account royalty payment shall be based on the number of eligible EPCC Best Start Card Bank Accounts linked to EPCC Best Start Cards as a percentage of total student enrollments as of December 31st of each year of the term. Eligible checking accounts linked to an EPCC Best Start Card held by faculty and staff will be included in the numerator of the percentage calculation but not the denominator. Accordingly, faculty and staff are not included in total student enrollment figure.
