### Part II

## Official Course Description

<b>SUBJECT AREA</b>	<u>Automotive Technology</u>
<b>COURSE RUBIC AND NUMBER</b>	<u>AUMT 2371</u>
<b>COURSE TITLE</b>	<u>Shop Service and Management</u>
<b>COURSE CREDIT HOURS</b>	<u>3            2    :    4</u> Credits      Lec    Lab

### I. Catalog Description

Provides students with shop management training and experience in customer relations, warranty provisions, service, salesmanship, organization and shop configuration. Covers general business practices and use of the flat rate manual. Places special emphasis on established business principles and preparation for employment in the automotive industry. Provides hands on experience in diagnostic and service repair procedures; and serves as a precursor for Automotive Service Excellence (ASE) exams and eventual automotive technician certification in chosen areas. **Prerequisites: AUMT 2313 and AUMT 2325 and AUMT 2334. (2:4) Lab fee.**

### II. Course Objectives

### **III. THECB Learning Outcomes (WECM)**

Learning outcomes/objectives are determined by local occupational need and business and industry trends.

#### **IV. Evaluation**

- A. Unit Exams and written work count 40% of final grade.
- B. Lab performance counts 60% of final grade.
- C. Grading Scale

A = 90 - 100  
B = 80 - 89  
C = 70 - 79  
D = 60 - 69  
E = 60 - below

#### **V. Disability Statement (Americans with Disabilities Act [ADA])**

EPCC offers a variety of services to persons with documented sensory, mental, physical, or temporary disabling conditions to promote success in classes. If you have a disability and believe you may need services, you are encouraged to contact the Center for Students with Disabilities to discuss your needs with a counselor. All discussions and documentation are kept confidential. Offices located: VV Rm C-112 (831-2426); TM Rm 1400 (831-5808); RG Rm B-201 (831-4198); NWC Rm M-54 (831-8815); and MDP Rm A-125 (831-7024).

#### **VI. 6 Drop Rule**

Students who began attending Texas public institutions of higher education for the first time during the Fall 2007 semester or later are subject to a 6-Drop limit for all undergraduate classes. Developmental, ESL, Dual Credit and Early College High School classes are exempt from this rule. All students should consult with their instructor before dropping a class. Academic assistance is available. Students are encouraged to see Counseling Services if dropping because exemptions may apply. Refer to the EPCC catalog and website for additional information.
