Revised by Discipline: Fall 2015 (next revision in 3 years)

#### IV. Evaluation

# A. Tests and Projects

- 1. Students will have a total of three (3) performance/objective examinations and ten to fifteen (10-15) demonstration projects during the semester.
- 2. Numerous demonstration projects of varying length are to be completed during the laboratory period and submitted to the instructor by each student.
- 3. Lab projects will be graded on the basis of creativity, application of design concepts from assignments and lectures, and presentation of the project.
- 4. Class participation, daily assignments, and attendance will be noted and included in the overall class grade.

## B. Grading Scale:

90 - 100 = A 80 - 89 = B 70 - 79 = C 69- below = F

# V. Disability Statement (Americans with Disabilities Act [ADA])

EPCC offers a variety of services to persons with documented sensory, mental, physical, or temporary disabling conditions to promote success in classes. If you have a disability and believe you may need services, you are encouraged to contact the Center for Students with Disabilities to discuss your needs with a counselor. All discussions and documentation are kept confidential. Offices located: VV Rm C-112 (831-2426); TM Rm 1400 (831-5808); RG Rm B-201 (831-4198); NWC Rm M-54 (831-8815); and MDP Rm A-125 (831-7024).

## VI. 6 Drop Rule

Students who began attending Texas public institutions of higher education for the first time during the Fall 2007 semester or later are subject to a 6-Drop limit for all undergraduate classes. Developmental, ESL, Dual Credit and Early College High School classes are exempt from this rule. All students should consult with their instructor before dropping a class. Academic assistance is available. Students are encouraged to see Counseling Services if dropping because exemptions may apply. Refer to the EPCC catalog and website for additional information.
