As outlined in the learning plan, apply the theory, concepts, and skills involving specialized materials, tools, equipment, procedures, regulations, laws, and interactions within and among political, economic,

environmental, social, and legal systems associated with the occupation and the business/industry and will demonstrate legal and ethical behavior, safety practices, interpersonal and teamwork skills, and appropriate written and verbal communication skills using the terminology of the occupation and the business/industry.

IV. Evaluation

- A. Pre-assessment : none at this time
- B. Clinical Packets
The student is responsible for his/her Clinical packet at all time. The individual student will perform a self-assessment in each concept area for each objective. Once the self-check has been completed, the preceptor will check the student off on each objective. Both individuals will use the scale provided on the objective packet.
- C. Time Sheets
Students are responsible to keep their time sheets and have them signed every week of rotation. The student should also have them to present to the clinical evaluator upon weekly visits.
- D. Preceptor Evaluation
The student will be evaluated on work skills, attitude, and overall quality of work. These forms are required to be completed at the end of the rotation by the preceptor.
- E. Final Evaluation :
Final Evaluation will be based on completed objectives in clinical packet, Progress report, preceptor’s evaluation, completed assignments, Final Exam, and paperwork association.
- F. Grading Scale:

<u>Average Grade</u>	<u>Letter Grade</u>
91-100%	A
82-90.9%	B
75-81.9%	C
67-74.9%	
<67%	F
Incomplete	I
Withdrawn	W

*A grade of “D” or “F” will need to be repeated for all Health Careers and Technology Classes in order to graduate.

- G. Remediation
At the instructor’s discretion, students may be allowed to rewrite papers or retest for higher grades. Students requiring additional help may be referred to tutoring services

V. Disability Statement (Americans with Disabilities Act [ADA])

EPCC offers a variety of services to persons with documented sensory, mental, physical, or temporary disabling conditions to promote success in classes. If you have a disability and believe you may need services, you are encouraged to contact the Center for Students with Disabilities to discuss your needs with a counselor. All discussions and documentation are kept confidential. Offices located: VV Rm C-112 (831-2426); TM Rm 1400 (831-5808); RG Rm B-201 (831-4198); NWC Rm M-54 (831-8815); and MDP Rm A-125 (831-7024).

VI. 6 Drop Rule

Students who began attending Texas public institutions of higher education for the first time during the Fall 2007 semester or later are subject to a 6-Drop limit for all undergraduate classes. Developmental, ESL, Dual Credit and Early College High School classes are exempt from this rule. All students should consult with their instructor before dropping a class. Academic assistance is available. Students are encouraged to see Counseling Services if dropping because exemptions may apply. Refer to the EPCC catalog and website for additional information.

VII. Title IX and Sex Discrimination

Title 9 (20 U.S.C. 1681 & 34 C.F.R. Part 106) states the following "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance." The Violence Against Women Act (VAWA) prohibits stalking, date violence, sexual violence, and domestic violence for all students, employees and visitors (male and female). If you have any concerns related to discrimination, harassment, or assault (of any type) you can contact the Assistant to the Vice President for Student and Enrollment Services at 915-831-2655. Employees can call the Manager of Employee Relations at 915-831-6458. Reports of sexual assault/violence may also be reported to EPCC Police at 915-831-2200.
