IV. Evaluation

A. Evaluation Methods

- 1. Two (2) in-class exams (200 points total):
 - a) Two (2) written tests will measure a student’s understanding of the course content and will account for 200 points toward the final grade.

- b) The mid-term test will cover the text and lecture material presented during the first half of the course, valued at 100 points. The second (final exam) will cover all of the material and lectures contained in the course and will account for 100 points toward the final grade. **No retakes will be given.**
2. Three (3) Online FEMA Assessments (150 points total):
 - a) Early in the course, students will register for a FEMA SID number.
 - b) During the course, students will complete three independent online FEMA assessments on their own time outside of the classroom (IS 100.B; IS200.B; IS700.A). The assessments will be graded as pass/fail, with a passing score resulting in 50 points and a FEMA certification. Failure of the FEMA online assessment will result in a “0” for the assignment. Proof of passing requires a copy of the FEMA certification to the instructor.
 - c) EPCC students have access to computer labs on campus.
 3. ICS Scenario (50 points)
Student learning outcome (SLO 3)-Explain appropriate governmental emergency responses to a major domestic incident.
 4. Additional Assignments and grading (100 points total):
 - a) Based on the instructor’s prerogative, other assignments may be given, such as:
