## Syllabus

### Part II

## Official Course Description

<b>SUBJECT AREA</b>	<u>Interior Design Technology</u>
<b>COURSE RUBRIC AND NUMBER</b>	<u>INDS 2337</u>
<b>COURSE TITLE</b>	<u>Portfolio Presentation</u>
<b>COURSE CREDIT HOURS</b>	<u>3            2        :    2</u> Credits    Lec        Lab

### I. Catalog Description

A course in the preparation and presentation of a comprehensive interior design portfolio, including resume preparation, employment interview skills, and goal setting. Students must have fourth semester standing and program approval. **Prerequisites:** INDS 1315 and INDS 1341 and INDS 1349 and INDS 2305 and INDS 2307 and INDS 2313 and INDS 2315 and INDS 2321 and INDS 2325. **Corequisite:** INDS 2387. **(2:2). Lab fee.**

### II. Course Objectives

Upon satisfactory completion of this course, the student will be able to:

- A. Prepare and organize a complete portfolio that contains no less than four varied projects, including a Residential Project, a Commercial Project, and a Final Project.
- B. Develop and plan the correct professional presentation method for each project assigned for the portfolio-rehearse presentation
- C. Exhibit the following techniques in each portfolio project:
  1. provide field verification (measuring) techniques
  2. review architectural plans
  3. compile research and imagery related to project (research via physical or internet based)
  4. define and discuss the scope of work and schematic design
  5. provide space planning and conceptualize scale and volume of space
  6. develop a color scheme and assemble proper color combination
  7. illustrate rendering techniques and produce and present perspective drawings and elevations
  8. complete furniture arrangement
  9. apply appropriate furniture and accessory selections
  10. demonstrate code compliance and ADA
  11. denote budget considerations, develop preliminary budget, and refine and finalize project budget.
  12. provide finish selections and specifications
  13. demonstrate ability in composition, craftsmanship, and project completion
  14. clarify and explain research and project requirements
  15. explain technical data to client
  16. incorporate elements and principles of design
  17. apply ergonomics and functionality into projects
  18. incorporate sustainable and green design to include determining and implementing sustainability strategy.
  19. research and work with subject-matter experts to incorporate specialty equipment
  20. specify appropriate millwork and countertops
- D. Evaluate the pros and cons of projects, challenges, and rewards with peers

- E. Justify each project within the portfolio and each step taken to complete a successful project, i.e.,
  - 1. develop and adhere to the design concept
  - 2. demonstrate time management capabilities, including prioritizing and completing tasks
  - 3. prepare and finalize specification project binder
  - 4. successfully perform revisions
  - 5. demonstrate color/texture coordination
  - 6. denote traffic patterns in drawings
  - 7. assemble color board in a unified, coordinated method
  - 8. demonstrate capabilities in cad drawing, elevations, and 3-D drawings
  - 9. utilize visual communication skills—use correct proportions for various material samples
  - 10. produce a complete project packet to include boards, spec binder, and PowerPoint presentation
  - 11. create project LEED documentation
- F. Develop and articulate design concepts in written, verbal, and automated formats and corresponding to client/instructor/peer questions
- G. Plan and conduct presentations in front of instructor and peers
- H. Demonstrate professionalism as in following instructions, preparation, timeliness, responsibility, good conduct, and appropriate attire
- I. Identify and utilize tools, software, and equipment learned in all the interior design classes to include:
  - 1. Computers, printers, plotters, scanners, copiers, projectors, matboard cutter, labeler, glue gun, and pressmount
  - 2. Microsoft Word, Excel, PowerPoint, Publisher; Autocad; and Adobe Photoshop
  - 3. Architectural scale, triangles, manual drafting, mechanical pencils, furniture templates, and measuring tape
  - 4. Presentation materials-matboards, foamboard, adhesives, exacto knives, metal rulers, markers, vellum, and prisma color
- J. Describe the function and maintenance of a fabric and product library
- K. Prepare a final resume and set goals.
- L. Pursue professional development

### III. THECB Learning Outcomes (WECM)

- 1. Prepare a professional resume.
- 2. Evaluate interior design projects.
- 3. Develop a comprehensive portfolio of interior design projects.
- 4. Present the portfolio.

### IV. Evaluation

- A. Projects
  - 1. Students will have a total of seven (4-5) performance/demonstration projects administered during the semester – **60% of the course grade**. All projects will be comprehensive and critique on an individual basis. The projects will be done in lab time plus outside research on each assignment. Each project will be presented to the class in a professional manner and critique by faculty. At the end of the semester the seventh and final project will be presented to Interior Design students and a panel of judges which will include faculty and qualified members from the El Paso Interior Design Profession – **40% of the course grade**.
  - 2. The project will be graded on the basis of creativity and application of design rules and concepts gained from all previous work completed in classes for the interior design major. Projects not completed before or on due date will receive a grade of “F”.

B. Grading Scale			
90 - 100	=		A
80 - 89	=		B
70 - 79	=		C
69- below	=		F

**V. Disability Statement (Americans with Disabilities Act [ADA])**

EPCC offers a variety of services to persons with documented sensory, mental, physical, or temporary disabling conditions to promote success in classes. If you have a disability and believe you may need services, you are encouraged to contact the Center for Students with Disabilities to discuss your needs with a counselor. All discussions and documentation are kept confidential. Offices located: VV Rm C-112 (831-2426); TM Rm 1400 (831-5808); RG Rm B-201 (831-4198); NWC Rm M-54 (831-8815); and MDP Rm A-125 (831-7024).

**VI. 6 Drop Rule**

Students who began attending Texas public institutions of higher education for the first time during the Fall 2007 semester or later are subject to a 6-Drop limit for all undergraduate classes. Developmental, ESL, Dual Credit and Early College High School classes are exempt from this rule. All students should consult with their instructor before dropping a class. Academic assistance is available. Students are encouraged to see Counseling Services if dropping because exemptions may apply. Refer to the EPCC catalog and website for additional information.

**VII. Title IX and Sex Discrimination**

Title 9 (20 U.S.C. 1681 & 34 C.F.R. Part 106) states the following "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance." The Violence Against Women Act (VAWA) prohibits stalking, date violence, sexual violence, and domestic violence for all students, employees and visitors (male and female). If you have any concerns related to discrimination, harassment, or assault (of any type) you can contact the Assistant to the Vice President for Student and Enrollment Services at 915-831-2655. Employees can call the Manager of Employee Relations at 915-831-6458. Reports of sexual assault/violence may also be reported to EPCC Police at 915-831-2200.
