# CONTRACT OPPORTUNITIES CENTER APEX ACCELERATOR

In 1986, the US Department of Defense, through the Defense Logistics Agency (DLA), awarded a Cooperative Agreement to El Paso Community College to operate the Contract Opportunities Center Apex Accelerator (COC).

In October 2022, the program transferred from DLA to the Office of Small Business Programs (OSBP) with the new mission to serve as the axis for existing and new businesses to strengthen the defense industrial base by accelerating innovation, fostering ingenuity, and establishing resilient and diverse supply chains.

Small businesses have been an integral part of America's economic growth and development. Thus, to ensure continued growth, we must focus on this uniquely American phenomenon and maintain a productive and educated workforce that contributes to the overall success of all businesses in the El Paso and Hudspeth area.

## Frequently asked questions

### How and where do I register for a course ?

Registrations are processed on a first-come, first-served basis. You can register in person at any campus, or online with an admissions assistant at [epcc.edu/admissions](http://epcc.edu/admissions). Click on the Get Connected button.

You'll need a filled-out Continuing Education registration form. Find one on the web at [epcc.edu/academics/continuingeducation](http://epcc.edu/academics/continuingeducation) -- or at the back of this catalog.

You may also email the form to [admissions@epcc.edu](mailto:admissions@epcc.edu). Online registration is available for returning students for some courses. For more information, call 915 **831-7721**, or call Admissions at 915 **831-2150**.

### Are there any entrance requirements ?

The minimum age for adult continuing education courses is 17 years of age unless otherwise noted. Further information about ages and other prerequisites can be found in the individual course listing, or with the Continuing Education Director. It is your responsibility to ensure that all course requirements and prerequisites are met. You won't be allowed to remain in a course if its prerequisites and requirements are not satisfied.

### What if my class is canceled ?

In the event of a cancellation or change in schedule, we'll contact each student at their phone numbers on file. Whenever possible, the decision to cancel a course will take place 48 hours before it starts. Students get a full 100 percent refund for canceled classes. Students can also ask for a transfer to another section, if available.

### What is a concurrent course ?

Concurrent courses are credit courses open to both degree-seeking and CE students. Degree-plan students earn college credit, while CE students earn continuing-education units. These units can later be turned into college credit under certain conditions. ( In class listings, **Conc** before a section number means that section is concurrent. ) For more information, call 915 **831-7721**.

## Continuing Education Transcripts and Certificates of Completion

Transcripts may be requested at any EPCC campus admissions office or by US mail. For more information, call 915 **831-2282**. Certificates of Completion should be requested through the director's office from which they were issued. There may be a fee for issuing duplicate certificates.
