OHSD, the Opportunity High School Diploma program

Email our lead counselor **Carmen Gomez** at cgomez16@epcc.edu for more information on these courses, or call her at 915 831-**5807**.

EPCC's Opportunity High School Diploma program, or OHSD, offers a transformative educational pathway for adult learners aged 18 and older who have not earned a high school diploma. Through concurrent enrollment in a CTE career and technical education program and a competency-based education curriculum, students can earn a state-recognized high school diploma while gaining workforce credentials.

To qualify for the Opportunity High School Diploma Program at El Paso Community College, applicants must be 18 years of age or older and dually enrolled in a qualifying CTE program at EPCC.

CONTRACT OPPORTUNITIES CENTER APEX ACCELERATOR

In 1986, the US Department of Defense, through the Defense Logistics Agency (DLA), awarded a Cooperative Agreement to El Paso Community College to operate the Contract Opportunities Center Apex Accelerator (COC).

In October 2022, the program transferred from DLA to the Office of Small Business Programs (OSBP) with the new mission to serve as the axis for existing and new businesses to strengthen the defense industrial base by accelerating innovation, fostering ingenuity, and establishing resilient and diverse supply chains.

Small businesses have been an integral part of America's economic growth and development. Thus, to ensure continued growth, we must focus on this uniquely American phenomenon and maintain a productive and educated workforce that contributes to the overall success of all businesses.

The COC provides specialized and professional assistance to businesses in the El Paso and Hudspeth area who seek to learn how to compete for contracting and subcontracting opportunities with DOD, other federal agencies, state and local governments, educational institutions, and prime contractors to promote business development.

The COC is committed to assisting and motivating businesses - with emphasis on small, disadvantaged, minority, women-owned, veteran-owned, and HUBZone certified - toward market expansion and job creation through active pursuit of government contracting.

Services Provided Include:

Technical Support: Includes bid preparation assistance, pre-award technical assistance and post-award assistance.

Counseling Support: Includes client needs assessment, new client program orientation, guidance and assistance with SAM and DSBS registration, bid analysis, proposal preparation and submission, use of electronic data information.

Outreach Support: Includes conferences, networking, seminars/workshops, on-site visits and technical training.

Bid Matching Support: Customized bid matching services. Annual fee **$50.**

Marketing Support: Includes research, strategies in accessing federal, state and municipal markets and various electronic registrations.

Reference Support: Includes Federal Acquisition Regulations, Texas State Procurement Information, Municipal purchasing Systems, Procurement Automated Source Systems, Reference Library and Government and Military Specifications.

Training & Resources: Information and training seminars and workshops are offered throughout the year which assist businesses to increase their knowledge and enhance their skills in business management, operations, and specialized areas related to purchasing, procurement and contracting. Counseling and technical assistance is provided free of charge. Seminars and workshops will occasionally require a registration fee.

Make sure it's your current address.

Dropping a course

To drop, fill out the student add-drop form on page 59. Before classes start, take it to any campus admissions-registrars office, or the appropriate CE director's office. (See a list of directors on page 63). No refunds will be given after the third day of classes.

Parking on campus

If you're enrolled in Workforce and Continuing Education courses for less than 60 hours, you can get a free temporary parking pass. (Take your Registration Statement to any EPCC vehicle registration office.) If you're enrolled in **61 hours of courses or more**, you must register your vehicle and buy a parking decal. Go to epcc.edu/services/police/vehicle-registration for more information about parking on campus -- or call 915 **831-2867** or **2212**.

Senior Adult Program

El Paso Community College offers seniors 55 years and older a variety of free classes in its Senior Adult Program. Check the Senior Adult Program area of this catalog for dates and locations of our free classes.

Prove you're old enough to take classes by showing your driver's license, birth certificate, or any legal document bearing your age.

Note. EPCC parking policies apply to all students on every campus.

Note. You must purchase any needed books or supplies.

Note. Seniors who register for courses outside the Senior Adult Program must pay all tuition and fees that apply to the course.

Bacterial meningitis vaccine requirement

If you're under 22 and in a non-credit course or program with more than 360 contact hours, you must have a vaccination for meningitis 10 days before classes begin. Proof of immunization must be presented when registering for the course or program.

Financial assistance

Tuition help may be available for students in continuing education career training certificate programs through Tpeg, the Texas Public Education Grant. To apply, complete the Fafsa, the Free Application for Federal Student Aid, at epcc.edu/admissions/financialaid and contact the program director to complete a Tpeg application. You should submit the Fafsa and Tpeg applications eight weeks before registering for classes. Call 915 **831-7721** for assistance.

Records, directory information, and Ferpa, the Family Educational Rights and Privacy Act of 1974

To comply with Ferpa, the Family Educational Rights and Privacy Act, El Paso County Community College District gives notice that the following types of directory information will be released to the general public without the written consent of the student :

1 Student's name
2 Student's address
3 Telephone listing
4 Dates of attendance
5 Major field of study, and awards and degrees received
6 Most recent previous institution attended
7 Date of birth

Currently-enrolled students may request that all or part of their directory information be withheld from the public by filing a written request at the Admissions and Registration Office. Such a request will remain in effect until the student authorizes its removal in writing. Release of any additional information pertaining to student records must be authorized, in writing, by the student, except as authorized under the law. Students have a right to inspect, review, request copies of, and challenge the contents of their educational records. A fee will be charged for copies provided.

Frequently asked questions

How and where do I register for a course ?

Registrations are processed on a first-come, first-served basis. You can register in person at any campus, or online with an admissions assistant at epcc.edu/admissions. Click on the Get Connected button.

You'll need a filled-out Continuing Education registration form. Find one on the web at epcc.edu/academics/continuingeducation -- or at the back of this catalog.

You may also email the form to admissions@epcc.edu. Online registration is available for returning students for some courses. For more information, call 915 **831-7721**, or call Admissions at 915 **831-2150**.

Are there any entrance requirements ?

The minimum age for adult continuing education courses is 17 years of age unless otherwise noted. Further information about ages and other prerequisites can be found in the individual course listing, or with the Continuing Education Director. It is your responsibility to ensure that all course requirements and prerequisites are met. You won't be allowed to remain in a course if its prerequisites and requirements are not satisfied.

What if my class is canceled ?

In the event of a cancellation or change in schedule, we'll contact each student at their phone numbers on file. Whenever possible, the decision to cancel a course will take place 48 hours before it starts. Students get a full 100 percent refund for canceled classes. Students can also ask for a transfer to another section, if available.

What is a concurrent course ?

Concurrent courses are credit courses open to both degree-seeking and CE students. Degree-plan students earn college credit, while CE students earn continuing-education units. These units can later be turned into college credit under certain conditions. (In class listings, **Conc** before a section number means that section is concurrent.) For more information, call 915 **831-7721**.

Continuing Education Transcripts and Certificates of Completion

Transcripts may be requested at any EPCC campus admissions office or by US mail. For more information, call 915 **831-2282**. Certificates of Completion should be requested through the director's office from which they were issued. There may be a fee for issuing duplicate certificates.

PREP

PREP offers support and useful resources to help students be ready for college-level courses. PREP services provide reviews in math and English skills to prepare you to take or retake the TSIA2.

What is the TSIA2?

The TSIA2 is a state-mandated placement test for students entering Texas public college and universities. It determines a student's readiness for college-level coursework in reading, writing and math. Your TSIA2 test results will show what subjects you've mastered and what areas need improvement. PREP is here to help, resources are FREE!

The TSIA2 is not a pass/fail test, but the results are used to guide academic advising and course selection.

Need help with the TSIA2? PREP offers resources to help you succeed.

DIAGNOSTIC ASSESSMENTS

Our diagnostic assessments are designed to pinpoint the specific content areas where you may need additional review. Once identified, our online courseware can be tailored with customized modules.

ONLINE COURSEWARE

PREP uses computer-based modules. These modules are online, self-paced and customizable to meet your learning needs.

TSIA2 AND TEAS BOOT CAMPS

PREP offers Boot Camps for students who have previously taken the TSI and want to improve their scores. Led by EPCC faculty, these sessions are free, interactive, and engaging.

PREP LAB

The PREP Lab is available to all EPCC students, faculty, and staff. The lab offers access to computers and printing services to support your academic needs, including course registration.

Visit one of our PREP offices, or call us, we can help.
