PROGRAM MAP

Program Map provides additional information regarding salary projections, employment opportunities, licensure requirements and Educational milestones. Link: <https://www.epcc.edu/Academics/Catalog/program-map?programID=1218>

This one-semester Level One Certificate in Public Health is designed to equip a diverse range of individuals, including those from various health programs, community members, and professionals working in the field of community health, with the fundamental knowledge and skills needed to excel in public health practice. This comprehensive program comprises 15 credit hours of engaging coursework, carefully curated to provide a strong foundation in the essential aspects of public health.

As you embark on this educational journey, you will delve into topics that include health promotion, disease prevention, the social and behavioral implications of disease prevention, community, and environmental health, community nutrition, and an exploration of new and emerging issues that significantly influence the practice of public health. By enrolling in our Level One Certificate in Public Health, you are taking a crucial step toward making a positive impact on the health and well-being of individuals and communities. Join us in this exciting endeavor, and let's build a healthier, more resilient future together. Your journey toward a rewarding career in public health begins here. The capstone course for this Certificate of Completion is HITT 2228, Introduction to Public Health. • Minimum grade required for specialized courses: "C"

GENERAL REQUIREMENTS

The following is Required of all Students Enrolling in this Program:

- Student must have a High School Diploma or GED. Submit official transcripts to:
El Paso Community College Admissions Office
P.O. Box 20500, El Paso, Texas 79998
- Student must:
 1. Be approved to take credit academic courses by EPCC
 2. Complete an online Health Careers Orientation at: <https://www.epcc.edu/Admissions/Orientation/health-careers-orientation>
- "Effective Fall 2011, and based on new federal regulations, students are not allowed to repeat previously passed courses more than once." Students should meet with a counselor to determine how a repeat course (s) would impact his/her academic, prerequisite, specialized Admissions, or transferability of courses. It is the student's responsibility to check with the Office of Student Financial Services to inquire how a repeat course(s) would impact their financial aid or veteran's assistance.

PRE-PROGRAM SPECIFIC REQUIREMENTS

None at this time. This program does not require students to fulfill Specialized Admissions criteria or procedures.

PROGRAM SPECIFIC CRITERIA

The Following is Required of all Applicants:

- Must file a degree plan with the designated Health Counselor
- **If you have any questions, Contact the Public Health Program Coordinator:**
Helga Carrion, RG Campus, room A-246, Telephone # (915) 831-4341.
