Students qualifying for Specialized Admissions must satisfy all of the following: General Requirements, minimum set TSIA2 Scores, Mandatory courses, and Pre-Program Specifics. Once all requirements are completed, ranking points are derived from the highest TSIA2 scores and most recent G.P.A of ranking courses. admissions or transferability of courses. It is the student's responsibility to check with the Office of Student Financial Services to inquire how a repeat course (s) would impact their financial aid or veteran's assistance.

TEXAS SUCCESS INITIATIVE (TSIA 2) ASSESSMENT

The Texas Success Initiative Assessment 2.0 "TSIA2", a redesign of the original Texas Success Initiative Assessment "TSIA1", is part of the Texas Success Initiative enacted by the Texas State Legislature and was designed to assess test takers' readiness for college-level coursework in the general areas of English language arts and reading (ELAR) and mathematics. The Texas Higher Education Coordinating Board (THECB) requires the reporting of developmental progression and outcome of all students engaged in developmental education. After January 11, 2021, all new degree-seeking students are required to take the Texas Success Initiative Assessment 2.0 (TSIA2).

Refer to EPCC Catalog or see your counselor for more information.

TSIA2 MINIMUM REQUIRED ASSESSMENT SCORES FOR DMSO

Test Area	Test Code	TSIA2 Cut Score

- TSIA2 Official Assessment scores are valid for two (2) years with the highest test score used for qualifying and ranking.
- Posting TSIA2 Assessment scores will take between 24 to 48 hours. Assessment Tests have to be completed at least 48 hours prior to ranking date. Consult a Health Counselor for advice.

DMSO AAS MANDATORY COURSES: 1 COURSE

HPRS 1206 good within 3 years.

DMSO AAS RANKING COURSES: 4 COURSES

- ▲ Ranking Courses have to be completed no later than Fall Semester to be eligible for Spring March 1, 2024 ranking to start program Summer of 2024.

- ▲ PHYS 1101 College Physics I (Lab)

*** NOTE: BIOL 1306 and BIOL 1106 are pre-requisites for BIOL 2404. Students can complete prerequisites by taking these courses or by taking a Biology placement exam prior to ranking.

PROCESSING OF PRE-PROGRAM SPECIFIC

It is highly recommended that the applicant completes the Pre-Program Specific Requirements at least three (3) weeks prior to the ranking date. The applicant must complete "Specialized Admissions" requirements for qualifying and ranking. There is a scheduled ranking date for this Program. Normal processing may take a few days or a few weeks depending on document type and individual circumstances. If documents have been received but not processed then the student will be coded as ineligible for that ranking.

PRE-PROGRAM SPECIFIC REQUIREMENTS

Applicants for Specialized Programs must also meet Pre-Program Specific Criteria prior to qualifying for ranking. The following is required of all applicants:

➤ **Background Check**- Each student must complete a background check prior to enrolling in clinical courses. Background checks are required prior to acceptance into most health programs or courses. Students are responsible for the costs. Currently, the approved vendor for El Paso Community College is American Databank: <http://www.elpasoex.com/>. Only background checks from American Databank are accepted.

You will receive a letter from the Dean of Health Career and Technical Education, Math & Science division to inform you of the status of your background check. The student will not be able to go to the clinical areas/health care facilities until cleared.

*****NOTE:** If a student has not enrolled in a health-related program for one or more semesters, the student must redo the background check at his/her own expense, for further information, please ask a Health Counselor or call the Program Coordinator.

There are two Levels of background checks: **Level I** applies to all students, and includes: (1) Social Security Number Verification. (2) Criminal Search 7 years minimum or up to five criminal searches. (3) Violent Sexual Offender and Predator Registry Search. (4) Office of the Inspector General (OIG) list of Excluded Individuals/Entities. (5) GSA List of Parties Excluded from Federal Programs. (6) U.S. Treasury, Office of Foreign Assets Control (OFAC), List of Specially Designated Nationals (SDN), and (7) State Exclusion List.

Level II is for students already licensed or certified in any area. **Level II** requires all of the **Level I** elements plus (1) License Verification, (2) Certification Verification, and (3) Employment Verification, including reason for separation and eligibility for re-hire.

A positive criminal history will require proof of the official case disposition for clearance. Generally: Disqualifying criminal offenses include, but are not limited to any felony conviction within the last 10 years, or two or more misdemeanors in crimes against persons, or families, such as homicide, kidnapping, rape, sexual assault, assault, battery, aggravated robbery, theft. Any misdemeanor or felony conviction involving abuse, neglect, or exploitation against a child, vulnerable adult or disabled individual. Felonies or two misdemeanors involving manufacture, importation, delivery, or possession of controlled substances, including felony conviction of DWI or two misdemeanor DWI convictions. Deferred adjudication for any felony is also a disqualifying event for enrolling into any of the Health Programs.

Please note that many professional licensure or certification agencies may have additional requirements. You should reference the requirements for each agency.
