TEXAS SUCCESS INITIATIVE (TSIA 2) ASSESSMENT

The Texas Success Initiative Assessment 2.0 "TSIA 2", a redesign of the original Texas Success Initiative Assessment "TSIA 1", is part of the Texas Success Initiative enacted by the Texas State Legislature and was designed to assess test takers' readiness for college-level coursework in the general areas of English language arts and reading (ELAR) and mathematics. The Texas Higher Education Coordinating Board (THECB) requires the reporting of developmental progression and outcome of all students engaged in developmental education. After January 11, 2021, all new degree-seeking students are required to take the Texas Success Initiative Assessment 2.0 (TSIA 2). Refer to EPCC Catalog or see your counselor for more information.
