PROGRAM MAP

Program Map provides additional information regarding salary projections, employment opportunities, licensure requirements and educational milestones. LINK: <https://www.epcc.edu/Academics/Catalog/program-map?programID=819>

Students qualifying for Specialized Admissions must satisfy all of the following: General Requirements, minimum set TSIA2 scores, Mandatory courses, and Pre-Program Specifics. Once all requirements are completed, ranking points are derived from the highest TSIA2 scores and most recent G.P.A of ranking courses. Applicants who complete all ranking courses may be more competitive for admission into their program of choice.

GENERAL REQUIREMENTS

Applicants for Specialized Admissions must satisfy Minimum Criteria in order to be eligible for ranking. The following is required of all applicants:

- Prior to ranking, the student must submit all previous college/university official transcripts (transliteration of all foreign coursework required).
For online Transcripts Evaluation: sendtranscripts2@epcc.edu PDF with a password protection.
- Student must have a **High School Diploma or GED**. Submit official transcripts to:
El Paso Community College Admissions Office
P.O. Box 20500, El Paso, Texas 79998
- Student must:
 1. **Be approved to take credit academic courses by EPCC**
 2. **Have successfully completed TSIA2 Assessment Tests.**
 3. **Attend a Health Careers Orientation Session or complete it online at:** <https://www.epcc.edu/Admissions/Orientation/health-careers-orientation>
 4. **Admissions Application form and pay \$ 10.00 fee.** specialized.adm@epcc.edu, in person would be at the Valle Verde campus.
 5. **A grade of a "C" or better is required for all academic and specialized courses listed under the degree plan.**
- **EPCC Cumulative GPA of 2.5 is required.**
- **"Effective Fall 2011, and based on new federal regulations, students are not allowed to repeat previously passed courses more than once."** Students should meet with a counselor to determine how a repeat course (s) would impact his/her academic, prerequisite, specialized admissions or transferability of courses. It is the student's responsibility to check with the Office of Student Financial Services to inquire how a repeat course (s) would impact their financial aid or veteran's assistance.

TEXAS SUCCESS INITIATIVE (TSIA2) ASSESSMENT

The Texas Success Initiative Assessment 2.0 “TSIA2”, a redesign of the original Texas Success Initiative Assessment “TSIA1”, is part of the Texas Success Initiative enacted by the Texas State Legislature and was designed to assess test takers’ readiness for college-level coursework in the general areas of English language arts and reading (ELAR) and mathematics. The Texas Higher Education Coordinating Board (THECB) requires the reporting of developmental progression and outcome of all students engaged in developmental education. After January 11, 2021, all new degree-seeking students are required to take the Texas Success Initiative Assessment 2.0 (TSIA2).

Refer to EPCC Catalog or see your counselor for more information.

TSIA2 MINIMUM REQUIRED ASSESSMENT SCORES FOR HIMA

Test Area	Test Code	TSIA2 Cut Scores
Math	PTMT	950
Reading & Writing	PTER	945
Essay	PTWE	6

- TSIA2 Official Assessment scores are valid for two (2) years with the highest test score used for qualifying and ranking.
- Posting of TSIA2 Assessment scores will take between 24 to 48 hours. Assessment Tests have to be completed at least 48 hours prior to ranking date. Contact a Health Counselor for advice.

MANDATORY COURSES: 1 COURSE

A student must successfully complete mandatory courses prior to ranking. Applicants who do not satisfactorily complete mandatory course work will not qualify for ranking into this program.

- ▲ HPRS 1206 Essentials of Medical Terminology Minimum Grade C

To qualify for ranking, all mandatory courses must be completed with a minimum of grade “C” or better. Mandatory courses cannot be substituted.

RANKING COURSES: 2 COURSES

Ranking courses are within the degree plan in which performance most reliably predicts future ability to successfully complete the program. It is highly recommended to complete all ranking courses prior to ranking to be competitive. Ranking courses cannot be substituted.

- ▲ Ranking Courses have to be completed no later than Spring Semester to be eligible for June 1, 2023 ranking
 - ▲ BIOL 2404 Anatomy & Physiology (Specialized, Single Semester-Course, Lecture + Lab)
 - ▲ HPRS 1206 Essentials of Medical Terminology

NOTE: BIOL 1306 and BIOL 1106 are pre-requisites for BIOL 2404. Students can complete prerequisites by taking these courses or by taking a Biology placement exam prior to ranking.

PROCESSING OF PRE-PROGRAM SPECIFIC REQUIREMENTS

It is highly recommended that the applicant completes the Pre-Program Specific Requirements at least three (3) weeks prior to the ranking date. The applicant must complete “Specialized Admissions” requirements for qualifying and ranking. There is a scheduled ranking date for this program. Normal processing may take a few days or a few weeks depending on document type and individual circumstances.

If documents have been received but not processed then the student will be coded as ineligible for that ranking.

PRE-PROGRAM SPECIFIC REQUIREMENTS

Applicants for Specialized Programs must also meet Pre-Program Specific Criteria prior to qualifying for ranking. The following is required of all applicants:

➤ **Background Check-** Each student must complete a background check prior to enrolling in clinical courses. Background checks are required prior to acceptance into most health programs or courses. Students are responsible for the costs. Currently, the approved vendor for El Paso Community College is American Databank: <http://www.elpasoex.com/>. Only background checks from American Databank are accepted.

You will receive a letter from the Dean of Health Career and Technical Education, Math & Science division to inform you of the status of your background check. The student will not be able to go to the clinical areas/health care facilities until cleared.

NOTE: If a student has not enrolled in a health-related program for one or more semesters, the student must redo the background check at his/her own expense, for further information, please ask a Health Counselor or call the Program Coordinator.

There are two Levels of background checks: **Level I** applies to all students, and includes: (1) Social Security Number Verification. (2) Criminal Search 7 years minimum or up to five criminal searches. (3) Violent Sexual Offender and Predator Registry Search. (4) Office of the Inspector General (OIG) list of Excluded Individuals/Entities. (5) GSA List of Parties Excluded from Federal Programs. (6) U.S. Treasury, Office of Foreign Assets Control (OFAC), List of Specially Designated Nationals (SDN), and (7) State Exclusion List.

Level II is for students already licensed or certified in any area. **Level II** requires all of the Level 1 elements plus (1) License Verification, (2) Certification Verification, and (3) Employment Verification, including reason for separation and eligibility for re-hire.

A positive criminal history will require proof of the official case disposition for clearance. Generally: Disqualifying criminal offenses include, but are not limited to any felony conviction within the last 10 years, or two or more misdemeanors in crimes against persons, or families, such as homicide, kidnapping, rape, sexual assault, assault, battery, aggravated robbery, theft. Any misdemeanor or felony conviction involving abuse, neglect, or exploitation against a child, vulnerable adult or disabled individual. Felonies or two misdemeanors involving manufacture, importation, delivery, or possession of controlled substances, including felony conviction of DWI or two misdemeanor DWI convictions. Deferred adjudication for any felony is also a disqualifying event for enrolling into any of the Health Programs.

Please note that many professional licensure or certification agencies may have additional requirements. You should reference the requirements for each agency.

The Health Information Management Program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM); 200 East Randolph Street, Suite 5100; Chicago ILL 60601-5800; phone: (312) 235-3255, Fax: (312) 233-0063, web: www.cahiim.org, email: info@cahiim.org.

In order to complete the requirements for progression and graduation, students enrolled in this program must have a grade of "C" or better in all specialized courses. The term "specialized courses" refers to all courses carrying the prefix of the program in which the student is majoring or the prefix of another health-related discipline.

POST-ACCEPTANCE REQUIREMENTS

Students are responsible for the following requirements AFTER accepting a seat in the Program:

- Must file a degree plan with the designated Health Counselor.
- **Community Wide Orientation** - Conducted online: <https://www.epcc.edu/Admissions/Orientation/community-wide-orientation> (must be renewed every year).

➤ **CPR** - American Heart Association (AHA) CPR/BLS (only Health Provider training accepted) card from AHA. Military Training Network (AHA recognized) cards will be accepted. Hybrid AHA courses with live skills demonstration will be accepted. CPR card must remain current throughout the course of the program (Certification may not be older than two (2) years).

➤ **Health Care Insurance** (evidence). Mandatory Healthcare insurance is required for students doing clinicals at healthcare facilities.

➤ **HIPAA Training** - Conducted online: <https://www.epcc.edu/Academics/Health/hipaa> (must be renewed every year).

➤ **Immunizations and Titters** – The following must be completed.

- **POSITIVE TITER required for Hepatitis B vaccination series of three and Titer** (can take 4-6 months to complete). If a student has started the Hepatitis B series by ranking deadline, he/she may be clear for ranking or registration with the understanding that the series have to be completed in a timely manner prior to starting clinical courses. Documentation of starting the series must be on file.
- **Tuberculosis (TB) screening required annually. **NOTE: It is highly recommended to complete any and all TB skin testing prior to receiving the MMR and/or Varicella vaccines. MMR or Varicella vaccines could cause a false negative TB skin test result.**

1. Individuals who previously tested negative, have never tested, or are not sure if previously tested.

a. Initial 2 Step TB Skin Test (effective January 1, 2018, for all students/faculty new to health programs).

- i. Initial TB skin test (TST) administered and read 48-72 hours later.
- ii. If initial TB skin test is negative, the second TST must be administered no sooner than 7 days and no later than 21 days after administration of the initial TST.
- iii. If initial TST is positive, DO NOT ADMINISTER the second TST. Individual needs Chest X-ray and annual TB Assessment/Clearance (or equivalent document) from Health Care Provider.

2. TB Skin Test Positive (previously). Requires completed Annual TB Assessment/Clearance form.

- **POSITIVE TITER required for each two doses - Measles, Mumps and Rubella Vaccinations (MMR)** (completed) **and Titer.**
- **POSITIVE TITER required for each two doses - Varicella Vaccination and Titer** (completed).
- **Tetanus/Diphtheria and Pertussis (TDAP)** vaccine (completed, expires after 10 years).
- **Influenza vaccine is required** (done annually).
- **Meningitis or Booster** – (Effective January 1, 2012, a Bacterial Meningitis Vaccination is required for all entering students under the age of 22. The term "entering students" includes new students to EPCC, transfer students, and returning students. Students must provide proof of an initial meningitis immunization or booster to the Admissions and Registration Department at any campus. The meningitis immunization must be administered at least 10 days before the start of the semester and must have been administered within the last five years).

NOTE: If you have had the vaccination at an earlier date, you may start with a Titer, as the result will indicate if you need the vaccine. If you have not had the vaccination and after vaccination is applied, you must wait 4-6 weeks for immunity to show up on the TITER.

COVID-19 vaccine is now required by all hospitals. Medical or religious exemption is allowed but proof of either is expected.
