

El Paso Community College

Welcome to the Nursing Specialized Admissions Orientation

Rio Grande Campus

Mission Del Paso Campus

The El Paso Community College District does not discriminate on the basis of race, color, national origin, religion, sex, age, disability or veteran status.

Orientation Overview

Information will be provided regarding the Specialized Admissions procedure for qualification and ranking into the Nursing programs.

Orientation will:

- Cover Specialized Admissions requirements to qualify for ranking.
- Discuss process of ranking and selection.
- Outline student responsibility after receiving conditional acceptance.
- Explain full acceptance and registration process for Nursing courses

End of Orientation Quiz

Upon completion of this Nursing Specialized Admissions Orientation power point presentation, you will need to return to the main page and take a Quiz.

- An **85% passing rate** will be required for you to receive proof of successful completion of the orientation.
- Verification of Completion documentation will need to be submitted to COMPLIO along with the other required documents such as Titer Lab results, vaccine records, etc. you have.

Center for Students with Disabilities

- If you have a disability that requires special assistance, your Nursing Counselor will work with the Center for Disabilities Counselor to meet your needs.

Requirements and Standards for Nursing Programs

- Nursing programs have Specialized Admissions requirements in addition to the college's standard admissions process.
- Some of these requirements are mandated by state or federal legislation. Others are based on the standards set by accreditation agencies.

Health Careers Majors

- If you select to choose a Health Careers major along with a Nursing major for ranking you will need to work with BOTH the Health Careers and Nursing Counselor.
- Meet with your designated **Health Careers Counselor** as you progress through the Specialized Admissions process.
- **Identify different requirements** for qualification and ranking into those programs.
- Work with a designated **Nursing Counselor** to fulfill the requirements for qualification and ranking into the Nursing program.
- **Health Careers majors** have to **meet minimum passing scores in the TSIA2 assessment**. The Nursing discipline requires the **ATI TEAS**.

Designated Health Careers Counselors are located at RG campus, 103 Montana, Student Services Bldg. with the exception of the EMS program Counselors who are located at the MDP Campus.

Qualification and Ranking Process

Ranking is a competitive two part process and the Specialized Admissions criteria will be applied in accordance to the current College Catalog at the time of ranking.

- First part requires that you complete all general requirements, program specific requirements, assessment and mandatory course work.
- Second part is the ranking of qualified applicants. Ranking is based on the most recent ATI TEAS scores and most recent grades received on the specific program ranking courses.

General Requirements

Applicant must:	Transcripts	Assessment
<ul style="list-style-type: none">○ Be accepted by El Paso Community College as an academic credit student	<ul style="list-style-type: none">○ Request official transcripts from high school or GED scores and all prior colleges/ universities	<ul style="list-style-type: none">○ Demonstrate minimum composite competency levels on the ATI TEAS assessment
<ul style="list-style-type: none">○ Possess a minimum 2.5 cumulative GPA or higher.	<ul style="list-style-type: none">○ Transliteration of foreign coursework is required.	<p>NOTE: All general requirements must be officially received by EPCC and documented in our system.</p>

- Submit a completed Health Careers Application with paid receipt.
- Submit completed application to the Specialized Admissions office, Student Enrollment Center, VV campus, 919 Hunter Dr. or through email at specialized.adm@epcc.edu

Additional General Requirements

- It is the student's responsibility to assure that official transcripts from their high school or GED scores and all prior colleges/universities are received and logged into Banner.
- **If a student's official GED scores or High school transcripts are not received, a student will not be eligible to qualify for ranking.**
- All official transcripts should be sent directly to the Admissions Office.

sendtranscripts2@epcc.edu

or mail to:

EPCC Admissions Office

P.O. Box 20500

El Paso, TX 79998

A minimum **grade of "C"** or higher is required in all academic and specialized nursing courses.

Application Process for Applicants

1. Students interested in Nursing are required to complete two on-line orientations
 - First orientation is the Health Careers Orientation which allows the Nursing applicant to **declare their major for ranking**.
 - Second orientation is the Nursing Specialized Admission Orientation **you are currently watching**.
2. Complete a mandatory on-line Health Careers Orientation
 - **Complete the application to declare Nursing as a secondary major.**
 - **Submit the application, along with a \$10 application fee.**
 - **Declare a Non-Health major such as Biological Science, etc. until official acceptance into a Nursing program is received.**
 - **Declare up to two secondary Health Careers and /or Nursing majors.**
3. After successfully completing the orientation, you will receive your Health Careers Specialized Admissions Application via email.

NOTE: The Health Careers Orientation allows the Nursing applicant to **declare their major for ranking purposes only**.

ATI TEAS Assessment

Minimum Composite Passing Scores: 62%

Banner Posting Scores: 0620

- Official scores **must contain all four (4) subject areas** Reading, English and Language Usage, Math, and Science.
- **Student is responsible to assure official TEAS scores are received by the EPCC Testing Center.**
- 62% ATI TEAS composite score is minimum to qualify for ranking , but may not be competitive depending the applicant pool at the time of ranking.
- Unofficial TEAS scores can be used **ONLY** for advising purposes
- **If the ATI TEAS exam is taken outside of EPCC, contact ATI to request official scores be sent to EPCC TESTING Center.**
- **Follow up with the EPCC TESTING Center and provide them your student ID so your scores may be uploaded.** *Additional costs will be charged by ATI to send official scores.*
- *Check the Testing website for ATI TEAS exam dates.*

All Pre Program Specific requirement documentation needs to be submitted as follows:

- **One month prior to ranking for March – (VN Evening/Weekend Track)-** Check the Nursing Program Information Guide for specific ranking date
- **One month prior to ranking for June – (RN, VN-Traditional Track & LVN-RN Transition)-**Check Nursing Program Information Guide for specific ranking date
- **One month prior to ranking for October- (RN, VN-Traditional Track & LVN-RN Transition)-**Check Nursing Program Information Guide for specific ranking date
- Pre Admissions Requirements listed **on page 3 of Nursing Program Information Guide**
- Submit all Pre-Program Specific Documentation through COMPLIO
- **Do not send** any medical documents to the Nursing Counselors, as Counselors do not have authorization to validate your documents

Questions concerning the Pre program requirements should be addressed to the Nursing discipline at nursingclearance@epcc.edu

Ranking Criteria

- Applicants need to satisfy all Specialized Admissions requirements, including:
 - General Admissions requirements
 - Pre-Program Specific requirements
 - Mandatory course work
- Minimum **composite scores on the ATI TEAS** assessment (Composite scores are the result of testing in all four subject areas in one sitting.)
- Applicants will be placed in a qualified pool to be automatically ranked based upon individual performance on the **MOST RECENT** composite scores of the **ATI TEAS** and the **MOST RECENT GPA** of program specific **Ranking Courses**.

Ranking Courses

Ranking Courses for the RN, VN-Traditional Track & LVN-RN Transition programs:

- BIOL 2401 - Anatomy and Physiology I
- BIOL 2402 - Anatomy and Physiology II
- RNSG 1301- Pharmacology
- require a grade of “C” or higher
- cannot be substituted
- are courses within the degree plan that establish the ranking score

Ranking Courses for the VN-Evening/Weekend Track

- BIOL 2401 - Anatomy and Physiology I
- BIOL 2402 - Anatomy and Physiology II
- require a grade of “C” or higher
- cannot be substituted
- are courses within the degree plan that establish the ranking score

The following ranking courses have a 10 year expiration date: BIOL 2401, BIOL 2402 and RNSG 1301.

Ranking Calculation

- During **June** and **October**, qualified students will automatically be ranked based on their **MOST RECENT ATI TEAS composite scores** and the **MOST RECENT GPA of Ranking Courses**.
 - **60 %** of points come from **GPA of Ranking Courses** which equals **720 maximum points**.
 - **40 %** of points come from **ATI TEAS composite score** which equals **480 maximum points**.
-

100 % = 1,200 points is the maximum possible ranking score

Calculating the Factor for Ranking Courses

Ranking Courses have a 60% weight:

- To determine the Factor for Ranking Courses, divide 720 by the Maximum possible GPA, 4.0 (all A's on Ranking Courses = 4.0 GPA) multiplied by the Maximum Ranking Course hours = (11hrs. for both RN , VN and LVN-RN Transition programs).

Sample for the RN, VN Traditional Track and LVN-RN Transition Course Ranking Factor:

- 720 maximum points divided by $(4.0 \times 11 \text{ Hrs.}) = 16.364 = \text{Factor}$
- The Factor for Ranking Courses is set at **16.364**

Sample for the VN Evening/Weekend Track Course Ranking Factor:

- 720 maximum points divided by $(4.0 \times 8 \text{ Hrs.}) = 22.50 = \text{Factor}$
- The Factor for Ranking Courses is set at 22.50

TEAS Weighted Percentages and Factor

Nursing-RN, VN Traditional Track, VN Evening/Weekend
Track and LVN-RN Transition Programs

40% of your composite score from the ATI TEAS will count toward your ranking score

Testing Formula for ATI TEAS Factor

100 maximum points on ATI TEAS, (1000 posted on Banner) multiplied by 48% weighted percentage = 480 max Test score divided by 100 (ATI TEAS Maximum Raw Score) = .48

Example:

- Student receives a 73% on their ATI TEAS composite score
- Application of formula:
 - 73% is posted on Banner as 0730
 - $0730, (73\%) \times .48 \text{ Test Factor} = 350.4 \text{ Test points}$

Nursing Programs are Selective

- Nursing Programs are selective programs with Special application requirements, “Specialized Admissions Requirements”
- Students must meet all Specialized admissions requirements before being eligible to rank into the Nursing Programs.
- Complete/Qualified applicants are ranked from highest to lowest points and admission is based solely on this ranking.

Applicant Responsibility

The applicant is responsible for:

- confirming that all official documentation is received and logged into Banner
- verifying official GED or High School transcripts are received and logged into Banner
- assuring they are a “Complete” applicant for ranking
- maintaining compliance regarding changing requirements
- verifying their correct status of their application, file, address and phone number
- submitting all required Pre Specialized Admissions documentation one month prior to ranking date
- Working with a designated Nursing and/or Vocational Nursing counselor

What Happens on Ranking Day?

- Ranking occurs twice a year; June and October for the RN, LVN-RN Transition and VN Traditional Track programs
- Ranking occurs once a year in March for the VN-Evening Weekend Track program
- The Banner system locks in all students who have completed all Specialized Admissions requirements.
- The **evening of ranking** the computer will generate the total points off the **most recent** ATI TEAS assessment score and grades received on the ranking courses.
- The top students are selected from highest to lowest points.

Note: It is important to make sure you have been working with a designated Nursing Counselor to review your applicant status and assure that you are a “**Complete**” applicant **prior** to the ranking date.

Notification of Acceptance

- Qualified ranked students who are the top candidates will be offered a seat.
- Letter of Acceptance will be sent officially from the Specialized Admissions Office through regular mail.
- You will be given 10 days to respond to the letter.
- Students must satisfy all Post-Program Specific requirements to gain a full acceptance and clearance for the clinical nursing courses.
- RN program accepts a maximum of 70 students each Fall and Spring semester (unless otherwise noted)
- VN Traditional Track program accepts a maximum of 24 students each Fall and Spring semester (unless otherwise noted)
- LVN-RN Transition program accepts a maximum of 32 students each Fall and Spring semester. The number of seats available for ranking is dependent on the number of EPCC VN graduates who continue to the LVN-RN Transition program and who are not required to rank.
- VN Evening/Weekend Track program accepts a maximum of 15 students each Fall and Spring semester (unless otherwise noted)

Student Who Did Not Get Accepted

- Students who were not selected will remain in the qualified pool as long as they continue to satisfy all current specialized and program specific admissions requirements.
- Students declining or failing to respond to an offer of a seat into a Health Careers or Nursing program will be removed from the qualified pool and as an applicant for that program(s).
- If student wishes to rank into other Health Career or Nursing program, it is recommended to contact designated program Counselor.

Notification of Acceptance

- Students declining or failing to respond to an offer of a seat into a Health Careers program will be removed from the qualified pool as an applicant for that program(s).
- A student who declines acceptance into a specialized program and wants to be considered for other health majors, will be required to submit a change of major form with a Health Careers counselor.
- After a student accepts a seat in a specific Health Careers program, the student will then be removed from all other existing Health Careers pool.
- Students who were not selected will remain in the qualified pool as long as they continue to satisfy all current specialized and program specific admissions requirements.

Notification of Acceptance

What does **Alternate Status** mean?

If you are not one of the top applicants once ranking occurs, you will be considered an “alternate”. Seats are not guaranteed as an alternate.

What can I do as an “Alternate” student?

- You will need to work very closely with the Nursing counselors to make a decision on whether you will complete all the Post Admission requirements so if a seat opens up, you may be considered if you have completed all Post Admissions requirements. Any seat that opens up will be offered in the order of your ranking status.
- If you select not to complete the Post Admissions requirements, you may want to discuss your strategy for re-ranking.

Post Specialized Admissions Requirements

*Students are responsible for the following requirements **AFTER** accepting a seat in the program.*

- New Nursing Student Program Orientation-F2F
- Tuberculosis test
- Community Wide Orientation – online
- Proof of Health Insurance
- HIPAA Training- online
- Substance Abuse screening
- Two Background clearances
- N95-Fit Test and Questionnaire
- **COVID 19 vaccine plus one booster** is now required by all hospitals. Medical or religious exemption is allowed but poof of either is expected.

**REQUIRE FORMS FOUND ON
COMPLIO**

*Students are required to
complete and submit the
following forms found on the
COMPLIO site.*

- **Contact Information Form**
- **Student Handbook
Acknowledgement Form**
- **Patient Confidentiality
Form**
- **Release of Information**

Post Specialized Admissions Requirements

- **Tuberculosis** – Two ppd's to be completed after ranking. After initial immunization, second one must be completed within 7-21 days later. If before 7 days or after 21 days, must start series again. Timing is critical. After initial double PPD, single is to be done annually) or chest x-ray (as needed) (or as requested by clinical facilities)
- **Fingerprinting**- Upon accepting a seat into the program, your name is submitted to the Texas Board of Nursing (BON). The BON will email the student the Texas Fingerprint Service Code Form which enables the student to make an appointment with IdentiGO to get their fingerprinting completed. Fingerprinting with a background check form FBI is required by the BON for licensure requirements and must be completed prior to the end of the first semester of the program.

Post Specialized Admissions Requirements

Criminal Background Clearance

Two Background Checks will be required of each student.

- Upon qualification into the program, your name is submitted to the Texas Board of Nursing .
- Students are responsible for the second background investigation which must be conducted through: <http://www.elpasoex.com>

- Your Criminal Background Clearances will be sent directly to your Complio account and are available for review by the Clinical Clearance staff.
- **No further student action is required.**

There are two levels of Criminal Background Clearance

- < Level 1 includes all students
- < Level 2 is for students who are already licensed or certified in any area.

- The Joint Commission which accredits healthcare facilities across the country enforced background screening in September 2004. Students in a healthcare field must now complete the same background check as hospital employees.

Post Specialized Admissions Requirements

Substance Abuse Screening

- Results sent directly to your Complio account and are available for review by the Clinical Clearance staff.
- Students who cannot participate in clinical rotations due to adverse activities revealed through substance abuse screening cannot complete course or program requirements.
- Students who fail to obtain a clearance may be prohibited for admissions or enrollment in nursing courses for one-year.

Registration For Nursing Program Courses

Upon receipt of the Letter of Acceptance and successful completion of all Post Specialized Admissions requirements you will be authorized to register for Nursing clinical courses.

Registration Process:

- Once all your Post Admissions documents are met, the Nursing discipline will send a list of students who have met the Post Admissions requirements and are ready for registration to the Counseling department.
- Nursing counselors in collaboration with the Nursing discipline and the Admissions Office will identify the registration dates for the 1st semester cohort.
- The registration will be done in coordination with Nursing and the Admission Office on the designated dates identified each semester.
- Students will be notified through email of their registration status by a nursing counselor.

Once in the Nursing program...

Students are informed to:

- expect a 40-50 hour commitment once in the Nursing program
- manage your time; set priorities
- have their financial obligations in order, *prior to entering nursing program*
- develop a support system and study groups immediately

***Note:** We encourage students to take any nonclinical courses prior to entry into the Nursing program*

EPCC Nursing Program

Highlighting aspects of the EPCC Nursing programs.

- Hands on experience- lecture courses are tied to a clinical experience
- Smaller class size
- Only (8) eight non-nursing courses identified for AAS-Nursing
- Once in the Nursing program...
 - VN Traditional Track program is (1) one year commitment
 - VN Evening/Weekend Track program is (5) five semesters commitment
 - RN program is (4) semesters, (2) two years commitment; no summers
 - LVN-RN Transition program is (2) two semesters
- Low tuitions rates

EPCC Nursing Programs are all accredited:

- Texas Board of Nursing-BON
- Accrediting Commission on Education in Nursing –ACEN
- Southern Association of Colleges and Schools Commission on Colleges –(SACSCOC)

Financial Aid and Nursing Applicants

Nursing applicants may want to repeat a course for competitiveness in ranking, however financial aid funding may be affected.

- All Federal programs pay once for a class previously passed with a grade of “D” or better. (A “D” grade is not acceptable for the Nursing program.)
- It is the student’s responsibility to check with the Financial Aid Office to inquire how a repeat course (s) may impact their financial aid or veteran’s assistance.

General Counselors

- **General Counselors are located through out the district. They will :**
 - provide general academic advising for Nursing and other Health Careers programs
 - refer to the designated Nursing Counselors
- **Nursing majors need to work with the designated Nursing Counselors located at either Rio Grande Campus or Mission del Paso Campus. Designated Nursing Counselors:**
 - work closely with Nursing Program Coordinators and Faculty
 - attend monthly Nursing Discipline meetings to keep abreast of changes
 - are included in Nursing specific Nursing discipline committees
 - have Nursing program changes prior to general Counselors.

Designated ADN Program Counselors
