If Prompted:
Please select: "Work or school account".

Microsoft

We need a little more help

It looks like this email is used with more than one account from Microsoft. Which one do you want to use?

- Work or school account
Created by your IT department
- Personal account
Created by you

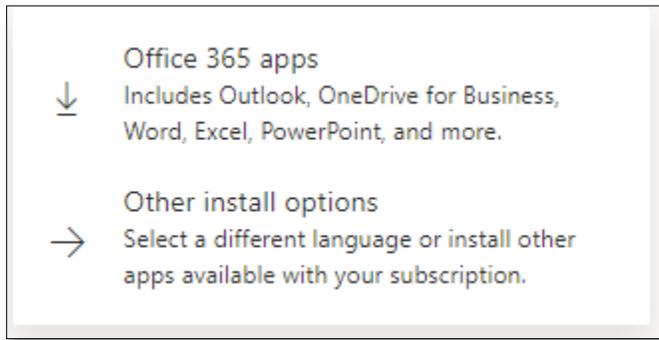

Tired of seeing this? [Rename your personal Microsoft account.](#)

Note: If you are prompted to "Stay Signed In?" and you share a computer with anyone else in your household, please select "No".

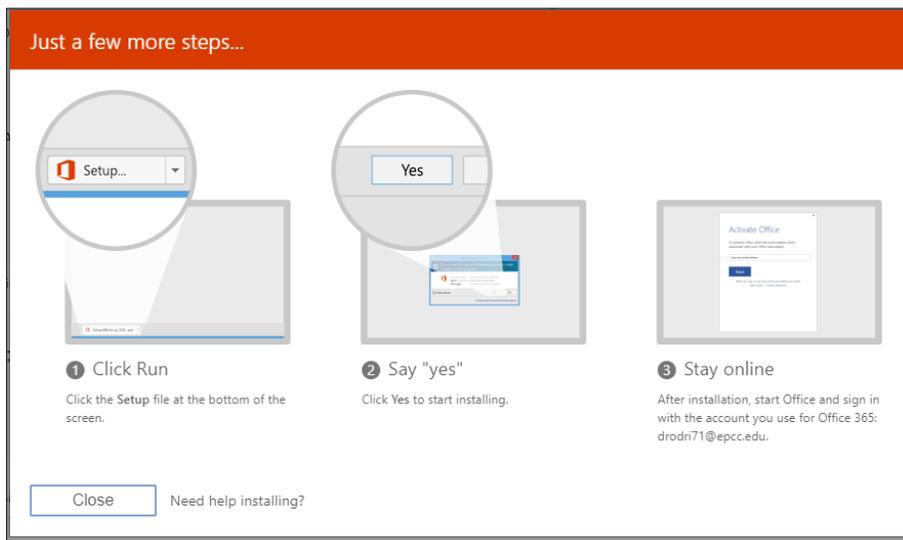

- 3) Click on "Install Office", located on the upper right-hand side:

- 4) You will be presented with installation options, for most users the first option, "Office 365 Apps" option should be selected.

- 5) Follow the prompts as directed to install:

This process could take some time depending on your internet service speed.

- 6) As shown on step 3 in the image above, you will be prompted for your credentials, please input your EPCC credentials to complete the process.
