ABOUT THE EL PASO COMMUNITY COLLEGE FACT BOOK

The Fact Book is designed to provide a “snapshot” of the Fall 2016 semester at the El Paso Community College. While previous Fact Books have included a full year of information, this current version focuses on Fall 2016, although several tables and charts do provide data for a full year.

The College’s Office of Institutional Planning, in collaboration with the Office of Institutional Research, created this publication using data from student records, the EPCC Dashboards, along with information from the U.S. Census Bureau, and the Texas Higher Education Coordinating Board. Both offices have made every effort to ensure the accuracy of the information.

The Fact Book is divided into two major sections. The first section displays a teal border at the bottom of each page and focuses on data for the El Paso County located in El Paso, Texas. The second section focuses on students attending the El Paso Community College and displays a light blue border at the bottom of each page.

It is with pride that we present the Fall 2016 Fact Book. We encourage you to review this publication in its entirety to appreciate all that the El Paso Community College has to offer the community and surrounding areas.

GLOSSARY

Cohort: A group of individuals who meet a set of criteria (e.g., a group of students who register during the same semester or begin attending college for the first time at the same time).

Developmental Student: A student who takes a developmental course during his or her first semester in college (State definition). This designation is permanent with respect to the student's State record.

Face-to-Face Course: The traditional delivery method in which a course is taught in a face-to-face setting with an instructor.

Fall-to-Fall Persistence: The percentage or number of students who register in the fall semester during a specified period of time and who also register again in the immediate following fall semester.

Fall-to-Spring Retention: The percentage or number of students who register in the fall semester during a specified period of time and who also register again in the immediate following spring semester.

First Time In College (FTIC) Student: A student in his or her first semester of college attendance, who has never attended any college previously.

Full-Time Equivalent (FTE): The total number of student credit hours divided by 15 for the Fall term (or for one semester only) and is divided by 30 for the entire academic or fiscal year.

Full-Time Student: Any student who is registered for 12 or more credit hours during any semester.

Internet Course: A type of delivery method in which a course is taught online and allows students access to course materials 24 hours a day. Faculty post materials, instructions, readings and assignments online for students to complete on their own or in a group.

Part-Time Student: Any student who is registered for less than 11 or less credit hours during any semester.

Texas Higher Education Coordinating Board (THECB): This agency was created by the Texas Legislature and provides leadership and coordination for the Texas higher education system and works with the legislature, governor, governing boards, higher education institutions and other entities to help promote access to quality higher education across Texas.

Unduplicated Enrollment: The number of students registered during a specified period of time.
